About Us

Our History

Grace Christian Academy was founded in 2007, as an act of grace. It was the vision of our founders to offer a safe environment for students to learn and to grow within. Over the years Grace Christian has grown unprecedentedly adding new features to its facilities and its services. Grace Christian is now home to a Four Star Rated Pre-School and a Primary, an Intermediate, and a Secondary School, which is now approved for the Career and College Promise Program with Cleveland Community College. Grace Christian Academy has oriented itself educationally to foster the development of sound logical judgment, exceptional literacy, mathematical prowess, scientific understanding, and social awareness all with a distinctly biblical worldview. We seek to equip our students for every good work and to prepare them for whatever road they take in life, be that college, work, missions, or family. It has ever been the mission of Grace Christian Academy to be a shining city on a hill in the Cleveland County community as well as the surrounding Counties and communities. Grace Christian Academy is still young and, as such, our history is still being written. We welcome you as a part of that developing history and we look forward to the mighty work God intends to do at Grace Christian Academy.

Our Core Values

- **Christ Centered Living** – At Grace Christian it is our goal to orient ourselves as a ministry, a business, administrators and faculty around the Gospel of Jesus Christ. At our core, we not only promote but also seek to influence this same “Jesus-Centered” lifestyle among our students and their families. In this way we uphold God’s Word in 1 John 2:6 when we are told, “whoever says he abides in Him ought to walk in the same way in which He walked.”
- **Truth** – Grace Christian believes without apology in the inerrancy of the Word of God. Paul tells us in 1 Timothy 3:16-17 that, “All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.” Thus, it is among our core values to seek and search after the truth of God through His word.
- **Fellowship** – Also among our core values at Grace Christian is fellowship of the believers. We believe that it is integral to the development of the Christian life, the family, and our students to be active and at work in a local church as the writer of Hebrews tells us in Hebrews 10:24-25, “And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.” It is also important to the development of our school community that we fellowship with one another in the many outlets throughout the school year.
- **Family** – At Grace Christian, we believe each of our members is a part of our family, and as such, we seek to empower the family. We believe that Godly Christian education and instruction begins at home. Scripture tells us in Deuteronomy 6:5-7, “You shall love the Lord your God with all your heart and with all your soul and with all your might. And these words that I command you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise.” We seek to instill these truths through instruction, reproof, and correction, but we believe it is also the duty of the family to fully instill these truths. Thus, we empower the family to lead their children in a Godly manner.

- **Excellence** – Scripture tells us in Colossians 3:17, “And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through Him.” At Grace Christian we believe very strongly in going above and beyond the call of duty. We believe that everyone has the ability to give their all and we expect that of our students and families, knowing that we serve alongside them giving them our all because we do everything we do to the glory and honor of God.
- **Service** – At Grace Christian, we teach salvation by grace through faith in Jesus Christ alone. However, along with faith comes works. Missional service is among the things that Christ himself called the church to be active and at work in. Thus, it is among our core values to adhere to the words in James 2:18, “But someone will say, “You have faith and I have works.” Show me your faith apart from your works, and I will show you my faith by my works.” We believe to display our faith is to be actional about it, helping those in need, ministering to the believers, edifying the kingdom, and leading through service as Christ Himself did. We believe that as a school community we lead best from service to one another.
- **Responsibility** – Personal responsibility is integral to a person. On it rests integrity, honesty, and ethic. Galatians 6:5 tells us, “For each will have to bear his own load.” Christ gave us fellowship that we may help and support one another, but at the end of it all, we are responsible for our own actions or inactions. At Grace Christian Academy, personal responsibility is among those values that we ardently seek to instill in our students. It is our belief that a deep personal responsibility will serve our students endlessly in this life.

Our Mission Statement

The mission of Grace Christian Academy is to provide academic excellence within a caring, Christian environment, developing tomorrow’s leaders with a distinctly biblical worldview.

Our Vision Statement

Grace Christian is dedicated to the vision of the church, “To make a God-pleasing difference in people’s lives by boldly preaching, teaching and sharing the Good News and by establishing loving, caring and serving relationships through our maturing faith.”

Our Statement of Faith

Grace Christian Academy believes and teaches the essential doctrines of the Christian faith and adheres to these tenants without apology:

- We believe and teach that the Bible is the Word of God, the sixty-six Books of the Old and New Testaments, verbally inspired in all parts (plenary), therefore, wholly without error (inerrant), as originally given of God. (2 Timothy 3:16, 2 Peter 1:21)
- We believe and teach that God exists eternally as three persons: the Father, the Son, and the Holy Spirit. He is the infinite, eternal, omnipotent, omniscient, omnipresent Spirit, perfect in all His attributes, one in essence and nature, worthy of all worship, trust, and obedience. (Matthew 28:19, Luke 3:22, 2 Corinthians 13:14, John 4:24)
- We believe and teach in the personality of the Holy Spirit, His deity, and His work in each believer: baptizing and indwelling at the moment of regeneration, and filling to empower for Christian life

and service. (John 4:24, Acts 5:34, 1 Corinthians 12:13, Romans 8:9, Ephesians 5:18, Ephesians 3:16, Acts 1:8, Galatians 5:22-23)

- We believe and teach in the preexistence and deity of Jesus Christ, His incarnation by virgin birth, His sinless life, His substitutionary death, His bodily resurrection, His ascension into heaven and present ministry, and His coming again. (John 1:13, John 1:1-14, Matthew 1:18-23, Hebrews 4:15, 2 Corinthians 5:21, Luke 24:36-43, Hebrews 4:14-16, Acts 1:11)
- We believe and teach that man is the direct creation of God, being made in the image of God, that he subsequently fell into sin, resulting in spiritual death, and that the new birth is necessary for his salvation. (Genesis 1:26-28, Genesis 3:1-24, Romans 5:12, John 3:35)
- We believe and teach that salvation is by God's grace alone, received as the gift of God through personal faith in the Lord Jesus Christ and His finished work. (Ephesians 2:8-9, Titus 3:5-7, 1 Peter 1:18-19)
- We believe and teach that there is one true church, the body and the bride of Christ, composed of all true believers of the present age; and the organization of its members in local churches for worship, for edification of believers, and for worldwide gospel witness, each local church being autonomous but cooperating in fellowship and work. (Ephesians 1:22-23, 5:25-32, 1 Corinthians 12:12-13, Ephesians 4:11-16)
- We believe and teach that true believers must exhibit a life of unceasing righteousness, good works and separation unto God from the evil ways of the world, manifested by speaking the truth, maintaining the sanctity of the home, settling differences between Christians in accordance with the Word of God, not engaging in carnal strife but showing a Christ-like attitude toward all men, exhibiting the fruit of the Spirit, and maintaining a life of prayer, including the privilege, when sick, of calling for the Elders of the church to pray and to anoint with oil in the name of the Lord. (Romans 12:12, James 5:12, Ephesians 5:22-6:4, 1 Corinthians 6:18, Romans 12:17-21, Galatians 5:22-23, Ephesians 6:18; Philippians 4:6, James 5:13-18)
- We believe and teach in the personal, visible, and imminent return of Christ to remove His church from the earth, before the tribulation, and afterward to descend with the Church to establish His millennial kingdom upon the earth. (1 Thessalonians 4:16-17, 1 Thessalonians 1:10, Revelation 3:10, Revelation 19:11-20:6)
- We believe and teach in the conscious existence of the dead, the resurrection of the body, the judgment and reward of believers, the judgment and condemnation of unbelievers, the eternal life of the saved, and the eternal punishment of the lost. (Philippians 1:21-23, Luke 16:19-31, John 5:28-29, Romans 14:10-12; 2 Corinthians 5:10, Revelation 20:11-15, John 3:16, Matthew 25:46, Revelation 20:15)

Our Philosophy of Christian Education

At Grace Christian Academy, we believe God has called us to partake in the development and maturation of the body of Christ through our students, their families, our faculty, and our community. As a body, we seek to partner on every level with our community to build and operate a functional Christian educational program that has at its core the declaration of the Gospel of Jesus Christ, and the mission to impact effectively, dutifully, and completely that community for the Gospel.

It is the responsibility of Grace Christian Academy and its affiliates to equip students to discover, develop, and utilize the gifts and abilities that God has instilled within them to His glory and to the

personal and collective benefit of themselves and their society, respectively. It is our belief that we are all created in the image of God, and that our students, being also created in this image, should be ministered to, instructed, and fostered by mature Christian leaders who are academically proficient and competent, professional, and actively serving and dedicated to the Gospel of Jesus Christ.

As set forth, our educational program should foster and guide each student individually to discover and discern God's purpose for their life and to equip them in fulfilling that purpose. It is, therefore, the responsibility of Grace Christian Academy to provide an accelerated curriculum based on biblical standards and absolute truths that lead to a distinctly biblical worldview among its students. We believe that learning is a lifelong process and that, as such, instruction should be ongoing, academically sequenced from one level to another, enabling students to read, write, and articulate themselves, utilizing every facet of the language arts with confidence and fluency. The curriculum should assist students in developing problem-solving skills and use mathematical operations and concepts with accuracy that indicates mastery of their level. It should foster the development of critical thinking and logical conclusions through the wisdom of God's Word and absolute truths. It should lead them to understand social studies of history and governmental processes as evidences of man's fallen nature and desperate need for Christ, as well as evidences of God's work among humanity to reconcile all things to Himself from their subjugation to futility. It should lead them to understand science as physical evidences of an intelligent, divine Creator who has purposed all things within His divine plan. Finally, above all else, it should lead them to imitate the mind, heart, and person of Jesus Christ concerning themselves and others. It should push them to exhibit the fruit of a God honoring life that is actively seeking after the truth of God. It is also our belief that, as an institution of learning in the United States of America, the curriculum should include the teaching of patriotism, citizenship, and service to one's country.

Thus, it is the responsibility of Grace Christian Academy and its affiliates to provide a curriculum and learning environment that, through excellence and Christian biblical standard, effectively fosters the development of academic, vocational, creative, social, physical and technological skills which lead to respect and an insatiable desire and deep respect for God's Word, and from that, an equally insatiable desire for true knowledge and wisdom. Above all else, it is the responsibility of Grace Christian Academy and its affiliates to aid in the development of disciples that are ready to undertake the Great Commission of Jesus Christ, to do justice and be mercy, following humbly after their God, and are prepared to give answer for the hope that is in them.

Admissions

Admission Process

To begin the process of admission to Grace Christian Academy, parents of prospective students must complete an Application for Registration, which may be obtained in the school office or by visiting the school website. To initiate the admission process, a completed Application for Registration must be submitted along with a non-refundable \$100 registration fee, **for each student**, to the school office. Once your application has been received and processed, the student's admission will be based on the following criteria:

- A passing grade on a leveled entrance exam for students applying for entrance to grades 2nd-12th.
***For admittance to Kindergarten, children will be given a Brigance assessment to ensure readiness for school, and must turn five (5) years old on or before August 31, no exceptions. ***
- Review of all application materials by Admissions Team to determine if we are willing and capable to meet the needs of the student.
- If all review criteria are met, a family interview with administration will be scheduled. This interview is merely designed to establish a relationship with your family, to learn more about what to expect at Grace Christian Academy, and to allow for any additional questions you may have.
***Secondary School students must attend the family interview, no exceptions. ***

Our admission process is designed in such a way that we may get to know your student, assessing their strengths and weakness, and that we may assess whether Grace is the best fit for your student. It is our desire that your student have the best opportunity and educational environment, as is our desire for all of our students. It is because of this desire to do the best by our potential students as well as our current students that our admissions process is so rigorous. We desire for your family to feel connected with Grace Christian Academy as early as possible. If you have any questions during the admission process, please feel free to contact the school office.

Once admission to Grace Christian Academy has been granted to the student, the family will be notified by telephone and email. An enrollment package will be mailed to your home with all necessary information concerning enrollment. Parents will be expected to pay all fee schedules upon admittance. ***See Financial Information sheet in enrollment package for a complete list of tuition and fees for your student's academic year. ***

Grace Christian Academy welcomes year-round submissions of applications as classroom space is available. The admissions process usually takes between 2 and 3 weeks to complete, and summer applicants should allow additional time for records to be received from the previous school. We encourage families to begin the application process by mid-July to ensure that their student's enrollment will be finalized by the first day of school.

Grace Christian Academy reserves the right to reconsider the application of any student during their first sixty (60) days of attendance. All new students admitted to the Secondary School will be placed on probation for the entire first semester. This probationary period ensures that the new student is compatible with the mission and academic standards of Grace Christian Academy, and is conditional based on the Student Conduct Agreement, academic performance, etc. This probationary period extends to the family, and is conditional based on the Parental Acknowledgement and Agreement of Cooperation.

Class sizes are relatively small at Grace Christian Academy and we try our best to maintain a ratio of one teacher to no more than fifteen (15) students. If your student's class is already full, it will be at the sole discretion of the board to add additional spaces to the class or to add another class section.

All returning currently enrolled students at Grace Christian Academy must re-enroll and are guaranteed placement provided they remain in good standing with respect to conduct, academic performance, and financial obligations. Returning students must submit a Re-Enrollment Form and will be assessed an annual, non-refundable, registration fee of \$100. Parents may apply for re-enrollment only if financial accounts are current with the school. Registration for current students and student siblings opens on February 1. Open enrollment for all others begins on March 1. All new processed applications will be wait listed until March 1, when classroom availability opens.

Maintenance Fee

All students will be required to pay an annual non-refundable, non-transferable maintenance fee of \$300 for Primary School students, \$350 for Intermediate School students, and \$400 for Secondary School students. This fee is an investment in existing facilities and future growth and will be assessed each year.

All students are required to purchase the books needed for the academic school year. Grace Christian Academy will purchase the student's books through A Beka upon receipt of the Book Fee. The Book fee is \$300 per student with exception of our Career and College Promise Students. The Book fee for these students is dependent upon which classes they will be taking through GCA. The Book fee is non-refundable.

Tuition

Tuition at Grace Christian Academy is designed to cover a variety of expenses and is to be considered your investment in quality Christian education. As a private, non-profit, institution of education receiving no state benefits or monies, we rely heavily on prompt tuition payments. Annual tuition is \$3,800. Multiple enrolled children (must be siblings) will be given a 20% discount to be applied to tuition only. Please refer to the official Financial Information sheet in the Enrollment Packet for the current school year for information concerning pay schedules.

Family Referrals

If a new family enrolls and is referred by a currently enrolled family, the referring family will receive a \$300 credit to be applied to their account.

Lunch/Snacks

Grace Christian Academy does not offer school lunches. However, there is a predetermined menu that is catered throughout the week. Your child will be given a lunch menu order form at the beginning of each nine-week grading period to be filled out if they wish to eat any of the days that are catered. Otherwise, **parents must provide lunch for their student.** All lunches will be refrigerated until the student's lunch

period and microwaves are available for heating lunches. If a student arrives to lunch without a meal, we will provide a meal for your child that will consist of Ramen Noodles or Macaroni and Cheese, applesauce and a juice box. If we provide any of these items for your child, **we will charge your account \$3 for each occurrence.** Please make sure that the lunch you provide for your child is something they like and will eat. We will not provide them with a meal simply because they do not like what you have provided for them. Any fresh fruits sent for lunch must be pre-sliced.

The student must provide their own snacks, and it is preferred that they be healthy in nature to ensure academic focus. If your child does not have a snack, we will provide one for them and a cup of water and **will charge your account \$1 for each occurrence.** They must be put away until the designated snack time. Primary students are allowed a water bottle with a lid and spout. Snacks and drinks are sold in the Secondary building from the General Store. The General Store is open before class time and at lunch. Snacks and drinks must be consumed before class. No food or beverages are allowed in Secondary classrooms with the exception of a water bottle with a lid.

Past Due Accounts

Tuition is due on the 10th of each month. A late fee of \$30.00 will be assessed per family for past due payments that are fifteen (15) days late. If the account is not made current by the 15th of the following month, the student(s) will not be permitted to attend school and absences will be accrued. Students will not be allowed to participate in athletics, extracurricular activities, or other school programs. Once the account is brought current, the student(s) may return to school. No students will be re-enrolled until outstanding financial obligations to the school are met.

End of School Year/Withdrawal Policy

At the end of the school year or at the time of withdrawal, all outstanding financial obligations to the school must be paid in full. Accounts must be current before final report cards, official records, transcripts, and diplomas may be released. **If paying by check, check must clear and final report cards, official records, transcripts, and diplomas will be mailed to you or may be held for pick up.** If withdrawing, refunds on pre-paid tuition are pro-rated. For any student withdrawing during the school year, regardless of pay schedule, tuition payment must be made for the month of withdrawal and the following month also. All fee schedules must be paid in full and are non-refundable once the school year has begun, even if the student has attended only one day of class.

Administrative Management

Attendance Policy

In order that your student may take full advantage of their educational career, regular, on time school attendance is required. Irregular attendance puts your student at a disadvantage, depriving them of the opportunity for effective learning. If a student is absent from school for reasons other than suspension, the following procedures must be followed:

There are no excused absences except for family medical emergencies, death in the family, or recurring illness with medical documentation. A class missed for any other reason counts as an absence, which is accumulated over the year. This includes but is not limited to dentist or doctor appointments, minor illnesses, church functions, and absences requested by a parent with prior notification of the administration. Absences will be monitored on a nine-week basis to ensure that the student is not excessively absent. Upon returning to school after an absence, the student must provide a written note with their parent's signature and the dates and reason for the absence. If the absence is due to a dentist, orthodontist, or doctor appointment, a note from the dentist/doctor's office is required. Students will be considered absent for the entire day if they leave before or arrive after 11:30 a.m.

If a student is absent due to suspension, they will not be allowed to attend or participate in any school related extracurricular activities before, during, or after the school day. This includes off campus activities such as field trips or away games.

School initiated absences, such as field trips or snow days, are not counted as part of the cumulative total of absences for students.

Excessive absences may result in dismissal from school. No refunds on tuition will be made due to absences. Absences from mid-term and final examinations for any reason will result in a lower semester grade by one full letter, unless approved by the Administrative Director. The make-up work policy applies to **all** absences, **no exceptions**.

Parents of students within the compulsory attendance age are responsible for their child's regular attendance at school, as required by the state of North Carolina. In order to gain the most from school, a student must be in regular attendance. Parents are expected to inform the school of planned absences exceeding three (3) days. Since the school calendar allows for several vacation opportunities throughout the school year, parents are encouraged to schedule vacations and appointments to coincide with school breaks and teacher workdays.

Primary School

Any student who is absent eighteen (18) days or more may not pass the school year and will not be promoted to the next grade level. After a student has missed nine (9) days, the administrator will be made aware and a parent conference will be arranged to discuss potential loss of promotion.

Intermediate/Secondary Schools

Attendance in the Intermediate and Secondary Schools is taken during each class period. **Intermediate or Secondary School students who accumulate more than seven (7) absences per semester risk failing the class and losing academic credit, regardless of grades achieved.** After four

(4) absences have been accumulated, the administrator will be made aware and a parent conference will be arranged to discuss potential loss of promotion. Students that are more than fifteen (15) minutes late to class will be considered absent. Students are encouraged to plan dentist, orthodontist, or doctor appointments after school dismisses or at varying times during the day to avoid excessive absences and thus risking a failing grade in the class and not receiving credit for the class. Juniors and seniors will be allowed two (2) days per semester for college visits, and these will not be counted towards their cumulative total of absences if they are pre-arranged and approved by the administrator. Students must be in attendance for at least four (4) class periods of the school day in order to participate in any extracurricular activity, including games for student athletes.

Tardy Policy

Punctuality is key to academic success. As such, students are expected to be on time to school, and Intermediate and Secondary School students are expected to be on time to each and every class. The school day begins promptly at 8:15 a.m. for both Primary and Intermediate/Secondary School students. **For the safety of our students and staff, all entry doors will be locked after this time, and all late arrivals must sign in at the main office.** Students who arrive after this time to school must follow these procedures:

Primary School

When arriving late to school, a parent or guardian must sign their student into the main office. The student will then be allowed to go directly to class. Tardies are accumulative by semester and four (4) tardies are equivalent to one (1) absence.

Intermediate/Secondary Schools

When arriving late to school, Intermediate and Secondary School students may sign themselves in at the main office. This is required as the Lower Complex will be locked and no admittance will be given unless notified by the office of late arrivals. A parent note is required upon signing in or the parent must sign the student in. The student will then be escorted to the Lower Complex by office personnel. The student will be given a tardy slip which must be given to their Homeroom teacher unless arriving later in the day, in which case the tardy slip will be given to the teacher of the class period the student arrives during. Tardies are accumulative by semester and are taken for each class period. Four (4) tardies is equivalent to one (1) absence. Two (2) tardies to a class will result in lunch detention, with the exception of Homeroom, in which case four (4) tardies will result in lunch detention. Excessive detentions for tardies can result in additional penalties, including suspension.

Morning Arrival and Afternoon Dismissal

Extended Care

Students may not arrive at the school prior to 7:00 a.m. Starting at 7:00 a.m., Before School Care will be open to students arriving before 8:00 a.m. Students not picked up at or before 3:00 p.m. for Primary Students and 3:15 p.m. for Intermediate and Secondary Students, will be sent to After School Care. After School Care is available until 6:00 p.m. Your account will be charged \$4 per hour that the student is signed into After School Care. The student must be picked up by 6:00 p.m., or an additional charge of \$2 per minute will be applied.

Primary School

Primary School students will be allowed to enter the halls and their classrooms beginning at 8:00 a.m. Classes begin at 8:15 a.m. and students must be in their seats by this time or they will be considered tardy, and will not be admitted to class unless signed in properly. During the first week of school, parents and guardians will be allowed to escort their student to class, after which time their student will be greeted at the door by staff. We ask that you allow your student to go to class on their own after this time so as to foster the growth of personal responsibility. Primary School students will be dismissed for the day at 2:45 p.m. and may be picked up until 3:00 p.m. at which time they will be sent to After School Care and must be signed out by their parent or guardian.

Intermediate/Secondary Schools

Intermediate and Secondary School students will be allowed to enter the Lower Complex beginning at 7:55 a.m. If you are dropping your student off, you must enter by the lower entrance and circle around to the front of the Main Sanctuary. Students will be allowed into their classrooms starting at 8:00 a.m. and will be expected promptly in their Homerooms by 8:15 a.m. If they arrive after this time they must adhere to the tardy policy. The final period dismisses every day at 2:55 p.m. at which time the students will be allowed to retrieve belongings from their lockers. The students will be dismissed from the building at 3:00 p.m. and may be picked up from the front of the Main Sanctuary in the same manner as morning arrival. No other manner of arrival or pick up is acceptable as the parking lot is busy and hazardous during arrival and dismissal. All students not picked up by 3:15 p.m. will be sent to After School Care and must be signed out by their parent or guardian.

Pick Up at Dismissal

If the parent or guardian is unable to pick up their student, and none of the listed approved persons for pickup will be picking up the student, **a phone call from the parent or guardian must be made to the office to make them aware of the pickup, along with a note to the office with the date and name of the person responsible for picking up the student. A picture I.D. will be required of the person responsible for pick up.** Students will not be allowed to stay for church activities that do not begin immediately after school. If the student does stay for church activities, they will be signed into After School Care and your account will be charged. They must be present in After School Care until a church official signs them out with parent permission. Students involved with athletics will not be dismissed to practice until 3:00 p.m., **no exceptions.** Student athletes whose practices do not begin until a later time must be picked up or they will be signed into After School Care and your account will be charged. They must be present in After School Care until their coach signs them out.

Early Dismissal and Partial Day Absences

Students who must be released for early dismissal, must be signed out by a parent, guardian, or approved person for pick up as specified in their file. **Anyone picking up a student for early dismissal must be on this list and must present a picture I.D.** A parent or guardian must specify the reason for early dismissal or late arrival when signing the student out or by note, phone, or email. Student drivers must have a note from their parent or guardian requesting early dismissal; they may sign themselves out at the appointed time. Students who have tests or quizzes scheduled for the day of early dismissal or late arrival will be expected to take them that day unless other arrangements have been made with their teacher.

Juniors and Seniors enrolled in the Career and College Promise Program are the only students permitted early dismissal on a regular basis. Juniors and Seniors wishing to be dismissed early on a regular basis must complete an Early Dismissal Agreement form and have it signed by a parent or guardian in order to leave each day before school is dismissed. Signing out in the school office is still necessary for early dismissal students. **Students with early dismissal must stay off-campus until the end of the school day (3:00 p.m.).**

Inclement Weather Policy

Grace Christian Academy follows Cleveland County Schools Inclement Weather Policy. Should inclement weather result in a delay or a school closing, check your local news outlet for Cleveland County School's delays and closings. The school will also notify families by email and through the school website as soon as possible.

Student Driver Policy

The ability for a student to drive a motor vehicle on school property is a privilege. This privilege is earned by a student demonstrating that they will drive responsibly, that they are mature, and that they will not endanger other students or damage school property. This privilege may be revoked if the actions of a student cast doubt on their maturity and responsibility. The following procedures must be followed if the student wishes to drive their vehicle onto school property:

- An application for student parking permit must be completed and a student driver decal must be purchased from the school office for \$10 and must be displayed on the left lower corner of the rear window at all times while on campus.
- Students are allowed to drive their cars to school and should park in the designated student parking area to the right of the left of the Main Sanctuary. No parking is allowed between the main Sanctuary and Range Road.
- Students must drive slowly and carefully on school grounds and on Range Road in front of the school.
- Students must follow the designated flow of traffic by entering the school parking lot by the lower lot entrance and driving around to the designated parking lot.
- Students may not go to their cars at any time during the school day without permission from a teacher or administrator.
- Student drivers must sign out (with parent consent) when leaving school early.
- Student vehicles are subject to random searches when it is suspected that the student has transported forbidden, illicit, or illegal items onto school property.

Health and Medical Policies

Immunization and Health Examination Requirements

All children, upon being admitted into kindergarten or first grade, or prior to admission to any public, private, or parochial school in North Carolina school system, or upon first entrance to the North Carolina school system by way of transfer from another system shall present evidence of immunity according to North Carolina state vaccination requirements.

Also, in keeping with North Carolina state law, Grace Christian Academy requires a health examination from students at the time of their enrollment to Kindergarten. A second health record is to be submitted by each student entering grade six (6). Parents are required to keep an up-to-date emergency card on file in the school office. In case of an emergency, medical help cannot be procured without parental consent. The school office must therefore be able to contact the parent or guardian or an emergency contact during school hours.

Accidents

Any accidents occurring in the school building or anywhere on the school grounds should be reported immediately to the supervising adult. Accident reports will be filed with the principal and medical assistance will be obtained if necessary. The school will not be held legally or financially responsible for accidents. Grace Christian Academy does maintain student accident insurance for accidents that happen at school. Please note that the coverage is secondary to a family health insurance plan. Further information regarding student accident insurance is available at the beginning of each school year through the main office.

Illness/Conditions Not Permitted at School

Students are expected to remain at home or will be sent home when they exhibit the following physical conditions:

- Any communicable disease, including but not limited to chickenpox, pink eye, strep throat, or ringworm, should be treated or in remission before returning to school. This list is not exhaustive, but these are the more common diseases that require medical treatment.
- Fever: Temperature of 100° or more within the preceding 24 hours. Temperature must be below 100° for 24 hours before returning to school. Therefore, if a child is sent home from school with a fever, they may not return to school the next day.
- Vomiting and/or diarrhea occurring within the preceding 24 hours.
- Rash/open sore: Student may return to school when the rash/open sore disappears or upon a doctor's written consent.

Head Lice Policy

Head lice are a common occurrence in school age children. These tiny insects are usually found in the hair and scalp and usually cause itching. Should any sign of excessive itching occur, the student's hair and scalp will be checked for signs of lice or nits. Nits are lice eggs that look like small oval white specks that are attached to the hair. If live lice or nits are present on a student's hair and/or scalp, Grace Christian Academy will complete the following steps:

- The child with lice or nits will be sent home immediately to prevent the spread of head lice to other students. Parents should treat family immediately and thoroughly. Consult a physician if in doubt about the findings. Students may return to school when successfully treated for head lice and **ALL** nits manually removed. The other students in the classroom will be checked for lice or nits. The school will check your student's scalp for lice or nits upon returning to school.
- The other families in the class will be notified that a case of head lice has been confirmed in the classroom, the student in question will remain anonymous. This is a precautionary measure to ensure that no spread has occurred and that each family may inspect their student for signs of head lice.
- Each family should continue to inspect their children periodically for any signs of head lice. The school will check your student's hair and scalp for lice or nits 7-10 days following discovery and treatment.

Medication Policy

No medication, including aspirin, is to be kept in a student's possession, with the exception of asthma inhalers. **ANY** medication or treatment (over-the-counter or prescription) to be administered at school must be supplied by the parent and be accompanied by the proper form. **All such medications must be in the original prescription bottle, properly labeled with the student's name, dosage and time of administration.** Please do not send large pill containers. A Medication Request form with instructions for administering medication must be completed, signed by the parent and submitted to the main office in order for the student to receive medications. The principal will be notified of any prolonged or continuing medications and treatments. All necessary forms are available in the main office.

Emergency Notification by Parents

In the event of an emergency such as death or hospitalization of a family member, emergency change of pick up, or any other emergency situation, the parent should contact the main office. **The parent should not attempt to contact the student by any other means including texting or calling the student's cell phone during the school day.** The parent should contact the main office and allow the main office to contact their student to ensure no interruption of the school day.

Personal Items at School

Grace Christian Academy **cannot and will not** assume responsibility for students' personal property. Students are expected to secure their valuables in an appropriate location such as their locker or keep them in their possession.

Lost and Found

Items left in the building will be turned into lost and found. All items left after the semester ends will be donated to a charitable organization.

Visitor Policy

Parents are welcome to visit Grace Christian Academy throughout the day. Student visitors are limited to prospective students and Grace Christian Academy graduates. **All parents and visitors, including Intermediate and Secondary School visitors, must sign in with the Grace Christian Academy main office upon arrival and wear a visitor's badge throughout their stay. If these procedures are not followed the parent or visitor will not be admitted to the building or will be asked to leave.** Visits should not disrupt instruction, testing or other activities. Student visitors are not allowed on the school campus during regular school hours unless approved in advance by administration.

DSS Investigations

In accordance with North Carolina law, Grace Christian Academy acknowledges its responsibility to require employees to immediately report cases of verified or suspected child abuse and neglect to the Department of Social Services. Upon the presentation of proper identification to the administrator or administrative staff, duly authorized representatives of law enforcement agencies shall be allowed to interview students.

Conflict Resolution

The faculty and staff at Grace Christian Academy are committed to resolving conflicts according to the principle of Matthew 18. Most problems are due to miscommunication. We seek to resolve conflict by the pattern expressed in Matthew 18:15-17 and in the spirit of Galatians 6:1. Forgiveness and restoration are the goals of conflict resolution. When a problem or misunderstanding arises, the parent or student **MUST** first go to the teacher or individual directly involved with the situation. If the problem is not resolved at that level, then an administrator may meet with the parent and teacher or individual.

Withdrawals

When withdrawing a student from Grace Christian Academy, the following procedures must be followed:

- A withdrawal form must be completed.
- All classroom materials must be returned to the teacher. All books belonging to the school must be returned. All athletic materials and uniforms must be returned to the athletic department.
- Current month's tuition, the following months tuition, and **ALL** fees must be paid and are non-refundable. Yearly tuition paid in advance will be refunded on a pro-rated basis.
- Grades and records will not be released until all financial obligations have been met and all books, materials, and uniforms have been returned.
- If a student withdraws for disciplinary reasons, they may not be on campus during school hours or attend any extra-curricular activities unless permission is secured from an administrator. The student may not apply for re-admission for a period of twelve (12) months.

Academic Management

Grading Scale

90-100	A
80-89	B
70-79	C
66-69	D
0-65	F

Primary School classes may be given a letter grade of S (satisfactory), N (needs improvement), or U (unsatisfactory). Grades and report cards for individual students may be viewed online at Sycamore Education.

Textbooks

All textbooks for Primary School students are included in their book fee due at the beginning of the year. Grace Christian Academy uses the A Beka curriculum and textbooks. The textbooks are the personal property of the student. As such, they are the student's responsibility. The texts should be kept in good condition for the entire year with the exception of normal wear and tear. If the texts are found to be in extreme disrepair from obvious neglect, a new text will be ordered for the student and that student's account billed for the new text.

Make-Up Work Policy

The student will have **two school days to complete work missed while absent. It is the student's responsibility to complete any missed assignments.** The student is expected to check with their teachers for any make up work upon returning from an absence. If the student misses a test, quiz or project/assignment due date while absent, the student will be expected to complete the missed test, quiz, or project/assignment the day they return to school, provided the student was informed of the due date prior to their absence. If the student arrives late due to a partial day absence on the day of a pre-announced test, quiz, or project/assignment, the student is expected to complete the test, quiz, or project/assignment on the day it is given, **no exceptions.**

Students will be allotted ten school days to work with their teacher to change an incomplete received as a nine-week grade to a passing letter grade. Students not meeting the ten-day deadline will receive a zero for incomplete work except in cases of extreme hardship. These cases will be handled on an individual basis.

Late Work Policy

Student responsibility for turning in work is an important life skill that students must develop early. Your child's teacher will provide their late work policy at the beginning of the school year.

Parent/Teacher Communication

Communication between parent and teacher is integral to a student's performance in class. Every Friday your student's teacher will send home a Parent Classroom Folder. In the folder there is a sign and return side, which contains tests taken and other important items which need to be returned to school. The other side will contain class work, classroom and school-wide announcements, as well as a class newsletter. This newsletter contains important academic notes such as upcoming tests, Bible verse and Spelling words. This also includes notes about upcoming events in the classroom.

Your student's teacher will be responsible for giving you their email at the beginning of the school year. It will also be posted on their profile through Sycamore. Email and the Pass-a-Note system on Sycamore are the best ways to correspond with your student's teacher short of meeting with them for a conference.

Testing

Grace Christian Academy will administer standardized tests in the spring to Grades K through 5. These tests help to measure the academic achievement of our school and to put into perspective how well our students are learning. A formal notice will be sent home in the weeks preceding testing concerning test dates and proper sleep and nutrition habits during the testing week.

Grade Promotion Policy

Primary School students will be promoted based on satisfactory academic performance, Christ-like conduct and work habits, and social and emotional readiness at the discretion of the teacher and administration. If a student receives any failing final grades, that student may be subject to individual tutoring or summer school (summer school is offered at the teacher and the administrations discretion and will be at the expense of the parent) and may not be promoted.

Kindergarten students must demonstrate mastery of academic benchmarks in phonics and math, as well as social and emotional maturity to be promoted to First Grade. Parents will be kept informed as the year progresses if there are any areas of concern.

Code of Academic Integrity

At Grace Christian Academy, personal and academic integrity are of the utmost importance among its students and staff. We rigorously train our students to take an active part in maintaining their integrity as it is among the most important qualities a person can have. That said, cheating of any kind is considered a mar on the student's personal and academic integrity and it will not be tolerated. Any instances of cheating will result in a failing grade on the assignment, quiz, or examination in question and an academic disciplinary action will be added to the students file. Further consequences will be decided by the teacher and/or the school administrator based on the same criteria concerning non-academic disciplinary actions outlined on page 33. The following are examples of cheating and are breaches of the Code of Academic Integrity:

- Copying another student’s homework, quiz, examination or other paper without express permission from the teacher.
- Using or allowing another student to misrepresent or fabricate work as one’s own, unless part of a group project when work is shared.
- Unauthorized possession, distribution or use of test or quiz materials (including official quiz and test keys from the A Beka curriculum), using or displaying notes, “cheat sheets,” or any other information devices inappropriate to the prescribed test conditions (i.e. cell phones).
- Seeking to deceitfully obtain, collaborate or secure answers during a test or quiz from any outside source, whether through visual, auditory, written, electronic, or verbal means.
- Plagiarism of any form. Additionally, plagiarism carries severe academic consequences that can result in the failure of a course. Your student’s teacher will take time to explain what plagiarism is, but it is up to you as the parent to ensure your student understands the concept and that none of their work is plagiarized.

Tutoring/Academic Support

Tutoring and Academic Support are available to the student if either is needed. The teacher may contact you the parent in order to discuss this need as well as to set up tutoring. If you feel your student needs tutoring or Academic Support, you may also contact your student’s teacher at any time to discuss this need.

Sycamore Education

Sycamore Education is an online tool that our school utilizes to communicate with parents and students, to track grades and post assignments or lessons, as well as to track student disciplinary issues. A formal orientation using the system will be given to all new families and by grade at the beginning of each school year to ensure parents are connected to the system and familiar with using it.

Field Trips

Classroom field trips are part of the total educational program of Grace Christian Academy. The primary function of the trips is to provide increased educational and expanded cultural experiences. Field trips are designed with the educational level of the students in mind and the subject areas they are studying at the time. Students must present a field trip form that has been signed by the parent or guardian in order to participate in the field trip. Parents are encouraged to accompany their student’s field trips. It is important to note, however, that field trips are an extension of the classroom, and as such, under the control and leadership of the teacher. Parents in attendance may be asked to assist the teacher with supervision of the students, or to help in whatever capacity the teacher deems necessary, but should under no certain circumstances attempt to assert their authority over the student’s teacher. Respect for the governing authority is a biblical principle that we stress dutifully at Grace Christian Academy. We expect both our student’s and our parents to abide by this principle. In addition, we ask that each parent attending the field trip also observe the following rules:

- Please be aware of any special instructions from the teacher before leaving for the trip.
- Please make sure that any students you may be asked to supervise are following all directions and rules given for the trip.
- If you are a driver for the trip, please note that all speed limits and traffic laws must be followed closely. (This includes having all passengers in appropriate seat restraints.)
- Please help make each trip a positive experience for the students in making sure they are getting the most out of the trip. Remember, this is about all of the students' learning experience, not just your student. Please respect this fact.
- Because we would like the students to have your undivided attention during their field trip, we ask that no younger siblings accompany you on the trip, **no exceptions**.
- Guide by example in relation to politeness, courtesy, respect, and Christian love, remembering the Parent Conduct Agreement you signed. (More information concerning parent conduct can be found on page 32)
- We ask that each chaperon follow the guidelines set forth in the parent portion of the Dress Code listed on pages 29 and 30.
- Field trips will be only to the location listed on the permission slip. No other unauthorized stops are allowed, **no exceptions**.
- **If a student does not wish to participate in a field trip, they may opt not to attend but will be counted absent and will be required to make up any work related to the trip, no exceptions.**

Spiritual Life

Chapel

All students attend chapel on a regular basis. Primary school chapel is every Wednesday morning at 9:00 a.m. Parents are welcome and encouraged to attend chapel services. Services are held in the Main Sanctuary. Denim pants are not to be worn on chapel days.

Missions

In an intentional effort to instill a servant's heart within our students, Grace Christian Academy has developed age level appropriate missions experiences. These experiences are intended to gradually increase a student's understanding and involvement in missions with the ultimate goal that a graduate of Grace Christian Academy will be well equipped to live a life of servant leadership in their families, workplaces, and communities.

Dress Code

Grace Christian Academy wishes to develop within its students a feeling of confidence that is assured by proper hygiene and grooming and appropriate dress. If we look to the Scriptures for a dress guideline that would be appropriate we find that the underlying theme is one of cleanliness and modesty. Student dress and grooming should be God-pleasing and provide no distractions to the educational atmosphere of the school. The following guidelines for appropriate school dress have been agreed upon and set forth by the administration and the school board and should be followed at all times, **no exceptions:**

- Students must wear approved school uniform.
 - Requirements for Boys:**
 - Students must wear a royal blue, orange, white or light grey collared polo shirt which must bear the GCA logo.
 - Students have the option of wearing:
 - Denim jeans or shorts – blue or tan

 - No cargo pants/shorts and no skinny jeans are allowed.
 - Shirts may be worn either in or out. Stomach and back must be covered at all times.
 - Students must wear a white collared polo shirt and approved khaki/tan pants or shorts on Chapel Day.

Requirements for Girls:

 - Students have the option of wearing:

 - Shirts may be worn in or out. Stomach and back must be covered at all times.
 - Students must wear a white collared polo shirt and approved khaki/tan pants or shorts on Chapel Day.

 - Shoes should fit snugly enough to permit normal school activities. Tennis shoes must be worn for Physical Education. Only non-marking gym shoes should be worn during play on the gym floor. Girls may not wear shoes with heels higher than 2 inches.
 - Hats or sunglasses are not permitted inside school buildings or on campus during school hours.
 - No piercing on boys will be allowed and girls may only have pierced ears (only 2 sets). **No other piercings are permitted, no exceptions.**

 - Hair must be neatly trimmed and styled. No cuts with designs or Mohawks. For boys, hair must be above the eyebrows and not covering the eyes and should be above the ear lobes. Any hairstyle that causes undue attention to the person is not acceptable at school. This includes extreme coloration (all hair coloration must be a natural hair color) or eclectic styles.

Students are expected to adhere to these same guidelines at all home and away activities that Grace Christian may host or be involved in. As students of Grace Christian Academy, they are ambassadors of their school and should reflect the mission of Grace Christian Academy at all times.

Should a student violate any of these prohibitions, the parent of that student will be notified immediately. The school will provide the student an oversized uniform shirt to be worn the remainder of the day. If the student should have additional dress code violations after their first, further punishments will be administered, including, but not limited to, suspension. **The administrator makes all final decisions on appropriate attire.**

Discipline

The Bible clearly indicates that parents/guardians are responsible for the discipline (that is, training or instruction) of their children. Grace Christian Academy exists to assist parents/guardians in this God-given

responsibility. Grace Christian Academy does not seek to assume the task which God gives to parents, but only to serve as the parents'/guardians' appointed and authorized representatives in the training process. Grace Christian Academy's system of student discipline and educational philosophy is structured in such a way so as to mirror the Bible's guidelines for reproof and instruction.

Attendance at Grace Christian is a privilege and not a right. Grace Christian Academy reserves the right at the sole discretion of the administration and/or the School Board to remove students from their enrollment if at any time it is decided by the aforementioned entities that the school can no longer assist in the educational process of the student. Furthermore, Grace Christian Academy, the administration, and the School Board, reserve the right at their sole discretion to deny readmission to any student whose actions demonstrate that it is not in the school's best interest to allow readmission.

Disciplinary Goals

Grace Christian Academy seeks to accomplish three primary disciplinary goals. It is the belief of the administration that these goals are integral to the personal development of every individual.

1. **Respect for those in authority.** Christ Himself cautioned against rebellious attitudes towards governing officials and in the book of Romans Paul tells us to submit ourselves to those in authority over us. In chapter 13, verse 2, he tells us, "Therefore whoever resists the authorities resists what God has appointed, and those who resist will incur judgment." Rebellious attitudes have no place in the hearts of the children of God, and Grace Christian Academy discourages any such attitudes, beliefs, doctrines, creeds, and actions. Micah 6:8 tells us that God desires our humble submission. Therefore, those who are in authority, being put there by God, should also have our humble submission.
2. **Personal responsibility for one's own actions.** 2 Corinthians 5:10 tells us "For we must all appear before the judgment seat of Christ, so that each one may receive what is due for what he has done in the body, whether good or evil." Every person is responsible for his or her own deeds. Personal responsibility is among the most important of our core values and as such is a part of our disciplinary goals. Regardless of those involved, when we find ourselves in the place of reproof, we must accept blame where blame is due and accept the resulting consequences as well. In this way we as educators hope to develop in our students a strong work ethic and mature hearts willing to admit fault.
3. **Consideration of others.** With the development of new technologies every day, it becomes more and more apparent just how small our world is. Christ tells us in Matthew 22:37-40 "And he said to him, "You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself. On these two commandments depend all the Law and the Prophets." Paul reaffirms this in Galatians 5:13 "For the whole law is fulfilled in one word: 'You shall love your neighbor as yourself.'" Clearly Christ intends for us to show the love of God to all people, not just other Christians, and to be considerate of them. In Ephesians 4:25-32 Paul tells us "Therefore, having put away falsehood, let each one of you speak the truth with his neighbor, for we are members one of another. Be angry and do not sin; do not let the sun go down on your anger, and give no opportunity to the devil. Let the thief no longer steal, but rather let him labor, doing honest work with his own hands, so that he may have something to share with anyone in need. Let no corrupting talk come out of your mouths, but only such as is good for building up,

as fits the occasion, that it may give grace to those who hear. And do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption. Let all bitterness and wrath and anger and clamor and slander be put away from you, along with all malice. Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you.” Grace Christian Academy seeks to instill in each of its students a deep love for the world that Christ came to save. It is our primary goal to make them Micah 6:8 Christians, doing justice and loving mercy at all times with no lack of truth or grace.

Student Expectations and Behavior

- Students will respect the authority of all adults and rights and property of others. Disrespect toward fellow students, teachers or other staff in attitude, words or actions will not be tolerated. Blatant disrespect resulting in the student being dismissed from the classroom or a school activity will result in a parent phone call.
- Students will maintain academic and personal integrity as previously described.
- Gum chewing is strictly prohibited.
- Lying, cheating, or stealing will not be tolerated. This includes the taking and hiding of another student’s belongings.
- No running except in designated play areas.

- These same guidelines are expected of students at all Grace Christian Academy sponsored events and field trips.

Parent Expectations and Behavior

- Parents are expected to dress modestly and appropriately at all on campus, off campus, and school related events and field trips.

- Parents are expected to be respectful of school staff and students and display Christ-like behavior and speech that is edifying. Any school related concerns should be addressed according to the Matthew 18 principle (see page 23) and should be voiced only to those concerned.
- Parents are responsible to know and adhere to all school policies and procedures.

Discipline Policies

Primary School students are subject to the aforementioned rules and regulations. They will be treated fair and reasonably. It is the belief of the administration and the School Board that discipline must address attitudes of the heart, teach submission to authority without challenge, excuse, or delay, and lead students toward Christ-like behavior. Factors to be considered in situations requiring disciplinary action are seriousness of the offense, the student's age, frequency of misbehavior, and the student's attitude. The teacher will handle minor disciplinary issues in the classroom. A universal disciplinary system will be utilized to track student behavior throughout the day. If a student's behavior becomes a problem or they have passed the last discipline checkpoint, they will be referred to the administrator and a parent contact will be made. Continued misbehavior may result in a referral to the Headmaster, suspension, a parent teacher conference, and ultimately dismissal from enrollment. Students may be given detention periods throughout the day (i.e. lunch detention, recess detention, etc.). If a student receives excessive detentions, a parent conference will be scheduled with the administrator and the student may face suspension.

Suspension and Dismissals

Grace Christian Academy reserves the right of suspension or dismissal at any time during the school year at the discretion of the respective administrator. Any student who persistently neglects work, who fails to meet academic or other standards or qualifications, who exercises poor citizenship, who fails to cooperate, or whose parents/guardians fail to cooperate, may be dismissed from enrollment (expelled). The Headmaster will administer dismissal. Appeal of a dismissal may be made in writing to the School Board within three days of the dismissal. A student may not attend classes during request for an appeal. A student who has lost the privilege to attend Grace Christian Academy is not permitted to attend school related events and will be escorted from the premises.

Harassment Policy

Grace Christian Academy does not tolerate or condone any type of harassment of or by our students, parents, or employees. Conduct, whether intentional or unintentional, that subjects another student to unwanted attention, comments or actions because of race, national origin, sex, physical characteristics or disability, robs the student at whose expense these comments or actions are made of dignity and is not permitted. It includes, but is not limited to, any or all of the following:

- **Verbal harassment:** Verbal harassment is defined as derogatory comments, statements, or jokes; threatening words spoken to another student
- **Physical harassment:** Physical harassment is defined as unwanted physical touching of a non-sexual manner, assault.
- **Visual harassment:** Visual harassment is defined as derogatory drawings, writings, cartoons, or gestures and actions.
- **Sexual harassment:** Sexual harassment is defined as unwanted sexual advances, requests for sexual favors, and comments, statements, jokes, drawings, writings, cartoons, or obscene gestures or actions of a sexual nature.
- **Electronic/Cyber harassment:** Electronic or cyber harassment includes any of the above forms of harassment communicated in electronic fashion via text, email, instant message, or through social media formats.

Any student who believes he or she has been subjected to any form of harassment should report these statements, comments, or actions immediately to a teacher or administrator. Each report will be given serious consideration and investigated thoroughly in a prompt and confidential manner. Should an accused party be found in violation of this policy, **that party will be subject to full disciplinary action up to and including dismissal from enrollment. Students or parents found to have filed false or frivolous accusations of harassment will also be subject to disciplinary action.**

Bullying Policy

In His Word, Christ has called us to love one another with the same love He has shown us (John 15:12). Grace Christian Academy's Bullying Policy exists not to create victims, but to instead foster an atmosphere among its students that emulates this principle of selfless love. Grace Christian Academy does not tolerate bullying of any kind. We seek to empower student's being bullied to be courageous and above the comments and actions of the bully and for other students to show this same Godly courage in intervening in bullying situations. The following actions in an ongoing form may be considered forms of bullying:

- Physical aggression, including hitting, punching, kicking, biting, scratching, etc.
- Teasing or verbal abuse, including putdowns, insults, name calling or racial/sexually explicit remarks.
- Intentional exclusion from activities or friend groups.
- The setting up of humiliating experiences.
- Damaging a person's property/possessions, taking them without permission, or taking and hiding them (**this will also be considered stealing**).
- Threatening gestures, actions or words.
- Written, verbal, or electronic messages that contain threats, putdowns, gossip or slandering.

From time to time, conflict and offense can occur. As part of living in a sinful world, when we don't always relate to others as we should or when we try to exert power and influence over others, bullying can result.

Grace Christian Academy recognizes that not all behaviors should be considered bullying or willful violations of this policy. Behaviors will be assessed by the teacher and administrator and addressed according to the following procedures:

1. All parties involved will be spoken to. The victim, bully and sufficient bystanders to establish the facts of the situation and to hold them accountable for their actions/inaction. All parties will be asked to give a verified account of what has happened in order to complete a whole picture of the incident in question.
2. All incidents will be documented and written reports will be kept on the behavior.
3. All staff will be informed about the incident so that they may be aware of any issues between students.
4. Any investigations into bullying allegations will be undertaken in a timely manner and will be carried out in such a way as to minimize escalation.
5. Parent of victim and bully will be informed throughout the process and may be invited to be present in discussions. In some cases, this may apply to parents of bystanders also.
6. All incidents of bullying will be followed up in writing to parents/caregivers of the victim(s) and bully.
7. Bullying incidents will be followed up and students monitored to ensure the incident is resolved satisfactorily.

It should be noted, **any bystanders who did not act to intervene on the behalf of a student who is being bullied or failed to report instances of bullying may be considered complicit in the incident and may subject that student to disciplinary action as well. Also, any instances of retaliation will be handled with serious disciplinary action.**

First offenses to this policy will be handled according to classroom disciplinary action and a parent notification will be made. Second offenses will result in a conference between student, parent, and administrator. Further instances that have been deemed bullying will be considered a violation of the harassment policy and will subject the party to the aforementioned disciplinary actions. **Extreme incidents and instances of bullying may be initially considered harassment at the first offense and will be handled accordingly. Cyber bullying will also be considered under the parameters of this policy.**

In order to prevent bullying or to ensure that a student that is being bullied is given justice the following responsibilities have been outlined for students, parents, and staff:

Students

- Students should ask the offending student to stop their behaviors.
- Students being bullied should report it to staff, parents, or another adult.
- Students who are aware of bullying should report it to the **teacher**.
- Students should take appropriate steps to discourage or prevent bullying.
- Students should be willing to resolve bullying situations, employing forgiveness and some changes in behavior.

Parents

- **Parents are to report any concerns of bullying to the teacher first.**
- **Parents must accept that the whole story may be quite complex and trust the school to resolve bullying matters.**
- **Parents not satisfied with the action may refer to administration if the need arises.**

- At no time should a parent seek to handle instances of bullying at school themselves. Parents should be willing to allow the school to act as mediator in order that the situation may be resolved in a fair and balanced manner.

Staff

- Non-teaching staff are instructed to refer all allegations of bullying to the teacher or administrator (in that order).
- Teaching staff are instructed to establish whether an alleged incident is isolated or an ongoing pattern of behavior (bullying).
- Teaching staff are instructed to report to the administrator any allegations/incidents of bullying.
- Teaching staff are instructed to follow up on instances of bullying and to monitor students involved to ensure the incident is resolved satisfactorily.

Guns and Weapons Policy

Grace Christian Academy does not allow guns, knives, weapons or other facsimiles on campus. Violations of this policy will result in the immediate dismissal of the participating student or students with the exception of facsimile, which may result in suspension or dismissal at the discretion of the Headmaster.

Electronic Communication Devices (Cell Phone, Smart Watch) Policy

In an effort to create a distraction free learning environment, Grace Christian Academy has adopted a zero-tolerance policy for communication devices during school hours. **Student devices should be turned off and stored in the student's back pack or cubby and should not be visible at any time during the school day.** If a device is brought to class or the device rings during class, disciplinary action will be taken and the device confiscated for the remainder of the day. **Forgetting to turn off the device is not an excuse for violation.**

Use of any communication devices during a test for any reason will automatically be considered cheating, and appropriate academic and disciplinary action will be taken. No taking of photographs or other use of phone cameras is permitted on school property. **No devices are permitted in restrooms at any time and any violations of this prohibition will result in serious disciplinary action.**

Parents should not consider their student's device as a means of contacting their student for any reason during the school day. All student phone calls, incoming and outgoing, should be made through the school office. Parents who need to contact their student during the school day for emergency purposes should use the school's emergency contact process outlined on page 22.

Disciplinary consequences for violations of any part for any reason of the communication device policy shall be as follows:

- The device will be confiscated and held in the school office until the end of the school day.

- The parent/guardian may retrieve the device from the administrator between 3:00-4:00 p.m. or during normal school hours on a later day.
- The device will not be returned to the student for any reason.

If a student is caught using another student's device, disciplinary action will be administered to both parties involved. Grace Christian Academy accepts no responsibility for use, breakage, theft or loss of communication devices or other personal items.

Electronic Communication/Social Media/Online Presence Policy

As members of the Grace Christian Academy community, students, parents, and staff are ambassadors of the school and more importantly ambassadors and witnesses of Jesus Christ. This same ambassadorship applies to online communications both at home and at school. This includes but is not limited to, email, chat, instant-messaging, video calls, texting, gaming, and social networking sites (Instagram, Facebook, Twitter, YikYak, etc.). In all of our online communications, whether they be with our peers, classmates, teachers, or otherwise we will treat others with love, grace, and respect as Christ commands us to. Any illegal, disrespectful, obscene, sexually explicit, inflammatory language or media, ethnic or racial slurs, bullying, harassment, defamation, or other similar content posted or sent online will result in disciplinary action up to and including dismissal from enrollment.

Social networking sites such as the ones listed above are not allowed at school, **no exceptions**. However, the school realizes that many students do have access to these sites outside of school. Students and Parents/Guardians are reminded that regardless of where their posting originates, be it home or otherwise, any text, photographs, or videos they put on these sites or similar that are obscene, sexually explicit, derogatory to the school or the school community, demean or bully students or faculty is prohibited and will be reported to the appropriate 'report abuse' section of the network site and, if needed, may be referred to local law enforcement agencies. The school will also expect that any student or parent/guardian remove such posts and comments immediately. Any further instances may result in the student losing the privilege of enrollment at Grace Christian Academy.

Recording Device Policy

Students may not use any recording devices on the school grounds at any time. This includes transmitting images, taking photographs with phones, camera or other recording device, or using any electronic device on an audio or video record setting.

Exceptions to this policy apply only to Grace Christian Academy students that have been approved for the use of a camera or video camera to record images for curriculum or school related projects or purposes.

Additional Policies

Areas Off Limits

The following areas are considered off limits to students:

- Restrooms designated for the opposite sex.
- Staff offices, workrooms, or work areas without permission.
- Christian Freedom Church property not in use by the school without permission.
- All parking lots and roadways during school hours without permission.
- Hallways before 8:00 a.m. and after 3:00 p.m. without teacher permission.
- Closets and storage areas without permission.
- Kitchen in the Main Building without permission.

Search and Seizure Policy

In order to maintain an ordered and disciplined learning environment, and to protect the safety and welfare of students and personnel, school authorities may request a search of a student, student cubbies, or student desks under the circumstances outlined below and may seize illegal, unauthorized or contraband materials discovered in the search. Grace Christian Academy reserves the right to invite the Cleveland County Sheriff's Department or an appropriate narcotics search group to visit at any time during the school year to search for drugs. Any alcohol, drugs or drug paraphernalia found in backpacks, cubbies, desks or other items under student's control will be considered possession.

A student and/or personal effects (i.e. purse, back pack, etc.) may be searched whenever a school authority has reasonable suspicion that the student is in possession of illegal or unauthorized/prohibited materials. Students may be asked to empty their pockets, purses, wallets, back packs, etc. without the parent's permission or the student's permission. Enrollment of the child constitutes parental consent to such searches. If the student refuses and the school feels a personal search of the student's person or belongings is required (as per the safety of that student or any other student) then the parents will be called and must come to the school to perform the search. **If the parents fail to come to the school to perform the search within one (1) hour of the phone call, and/or the student refuses to empty their pockets or remove from their person what is suspected, then the student's privilege to attend Grace Christian Academy will be revoked immediately and they will be expelled from enrollment. If a phone is confiscated, Grace Christian Academy reserves the right to review the phone's content for any reason.**

Student cubbies and desks are Grace Christian Academy property, and as such remain under the control of Grace Christian Academy at all times and are subject to search, both random and initiated under suspicion, at any time. Grace Christian Academy exercises exclusive control over school property, and students should not expect privacy regarding items placed in school property for these reasons. Students are responsible for all items contained within cubbies and desks, and any illegal, unauthorized, or contraband items found in a student's cubby or desk will constitute possession. **Periodic general inspections of cubbies and desks are conducted by school authorities for any reason at any time without notice, student consent, parental consent, or search warrant.**

If a properly conducted search yields illegal or contraband materials, **such findings will be turned over to the proper authorities for ultimate disposition.**

Academic Management

Grading Scale

90-100	A
80-89	B
70-79	C
66-69	D
0-65	F

Textbooks

All textbooks for Intermediate School students are included in their book fee due at the beginning of the year. Grace Christian Academy uses the A Beka curriculum and textbooks. The textbooks are the personal property of the student. As such, they are that student's responsibility. The texts should be kept in good condition for the entire year with the exception of normal wear and tear. If the texts are found to be in extreme disrepair from obvious neglect, a new text will be ordered for the student and that student's account billed for the new text. Intermediate School teachers may from time to time supplement their lessons with extracurricular texts. These texts have been pre-approved by the administration and School Board as classroom supplements.

Make-Up Work

The student will have **two school days to complete work missed while absent. It is the student's responsibility to complete any missed assignments.** The student is expected to check with their teachers for any make up work upon returning from an absence. If the student misses a test, quiz or project/assignment due date while absent, the student will be expected to complete the missed test, quiz, or project/assignment the day they return to school, provided the student was informed of the due date prior to their absence. If the student arrives on the day of a pre-announced test, quiz, or project/assignment late due to a partial day absence, the student is expected to complete the test, quiz, or project/assignment on the day it is given, **no exceptions.**

Students will be allotted ten school days to work with their teacher to change an incomplete received as a nine-week grade to a passing letter grade. Students not meeting the ten-day deadline will receive a zero for incomplete work except in cases of extreme hardship. These cases will be handled on an individual basis.

Late Work Policy

Student responsibility for turning in work is an important life skill that students must develop early. Your child's teacher will provide their late work policy at the beginning of the school year.

Parent/Teacher Communication

Communication between parent and teacher is integral to a student's performance in class. As students in the Intermediate School, your student will be expected to exercise a new level of personal responsibility. They will be expected to keep a planner that will be checked regularly. They will also be required to take and keep notes in a two (2) inch binder that will be checked and graded regularly. It is expected that at this level, the parent will take the initiative in being up to date on student class information. From time to time, information will be sent home by the teacher both via email and hard copy.

Your student's teacher will be responsible for giving you their email at the beginning of the school year. It will also be posted on their profile through Sycamore. Email and the Pass-a-Note system on Sycamore are the best ways to correspond with your student's teacher short of meeting with them for a conference.

Testing

Grace Christian Academy will administer standardized tests in the spring to Grades 6 through 8. These tests help to measure the academic achievement of our school and to put into perspective how well our students are learning. A formal notice will be sent home in the weeks preceding testing concerning test dates and proper sleep and nutrition habits during the testing week.

Grade Promotion Policy

If a student receives any failing final grades in the four core subjects (mathematics, language arts, science, and history), that student may be subject to individual tutoring or summer school (summer school is offered at the teacher and the administrations discretion and will be at the expense of the parent) and may not be promoted. If a student receives any failing final grades in two or more core subjects, the student will be required to repeat their current grade level.

Code of Academic Integrity

At Grace Christian Academy, personal and academic integrity are of the utmost importance among its students and staff. We rigorously train our students to take an active part in maintaining their integrity as it is among the most important qualities a person can have. That said, cheating of any kind is considered a mar on the student's personal and academic integrity and it will not be tolerated. Any instances of cheating will result in a failing grade on the assignment, quiz, or examination in question an academic disciplinary action will be added to the students file. Further consequences will be decided by the teacher and/or the school administrator based on the same criteria concerning non-academic disciplinary actions outlined on pages 48 and 49. The following are examples of cheating and are breaches of the Code of Academic Integrity:

- Copying another student's homework, quiz, examination or other paper without express permission from the teacher.

- Using or allowing another student to misrepresent or fabricate work as one's own, unless part of a group project when work is shared.
- Unauthorized possession, distribution or use of test or quiz materials (including official quiz and test keys from the A Beka curriculum), using or displaying notes, "cheat sheets," or any other information devices inappropriate to the prescribed test conditions (i.e. cell phones).
- Seeking to deceitfully obtain, collaborate or secure answers during a test or quiz from any outside source, whether through visual, auditory, written, electronic, or verbal means.
- Plagiarism of any form. Additionally, plagiarism carries severe academic consequences that can result in the failure of a course. Your student's teacher will take time to explain what plagiarism is, but it is up to you as the parent to ensure your student understands the concept and that none of their work is plagiarized.

Tutoring/Academic Support

Tutoring and Academic Support are available to the student if either is needed. The teacher may contact you the parent in order to discuss this need as well as to set up tutoring. If you feel your student needs tutoring or Academic Support, you may also contact your student's teacher at any time to discuss this need, however, we do ask that at the Intermediate School level, you encourage your student begin to contact their teacher if they feel like they need tutoring or extra help.

Academic Watch

Any student who has two D's or one F at any eligibility check point (or sooner if determined appropriate by administration) will be placed on academic watch. Individualized interventions may be implemented for a student who falls into this category. Student's on academic watch are those that are at risk of being on academic probation.

Academic Probation

Any student who is failing two classes at mid-term will be placed on academic probation and will be considered ineligible to participate in athletics or extracurricular activities until the next academic checkpoint. Students on academic probation will be held accountable, at minimum, for the interventions as defined above for academic watch. Students may be eligible for practice during academic probation at the administrator's discretion. A student who is placed on academic probation following the fourth quarter will be considered ineligible at the beginning of the next school year. This eligibility determination can be adjusted upon the completion of appropriate coursework for credit retrieval prior to the first day of the next school year.

Sycamore Education

Sycamore Education is an online tool that our school utilizes to communicate with parents and students, to track grades and post assignments or lessons, as well as to track student disciplinary issues. A formal orientation using the system will be given to all new families and by grade at the beginning of each school year to ensure parents are connected to the system and familiar with using it. Intermediate School students will be given an account to administer online classroom resources and to prepare them for the use of such tools to a greater extent in the Secondary School.

Field Trips

Classroom field trips are part of the total educational program of Grace Christian Academy. The primary function of the trips is to provide increased educational and expanded cultural experiences. Field trips are designed with the educational level of the students in mind and the subject areas they are studying at the time. Students must present a field trip form that has been signed by the parent or guardian in order to participate in the field trip. Parents are encouraged to accompany their student's field trips. It is important to note, however, that field trips are an extension of the classroom, and as such, under the control and leadership of the teacher. Parents in attendance may be asked to assist the teacher with supervision of the students, or to help in whatever capacity the teacher deems necessary, but should under no certain circumstances attempt to assert their authority over the student's teacher. Respect for the governing authority is a biblical principle that we stress dutifully at Grace Christian Academy. We expect both our student's and our parents to abide by this principle. In addition, we ask that each parent attending the field trip also observe the following rules:

- Please be aware of any special instructions from the teacher before leaving for the trip.
- Please make sure that any students you may be asked to supervise are following all directions and rules given for the trip.
- If you are a driver for the trip, please note that all speed limits and traffic laws must be followed closely. (This includes having all passengers in appropriate seat restraints.)
- Please help make each trip a positive experience for the students in making sure they are getting the most out of the trip. Remember, this is about the all students' learning experience, not just your student. Please respect this fact.
- Because we would like the students to have your undivided attention during their field trip, we ask that no younger siblings accompany you on the trip, **no exceptions**.
- Guide by example in relation to politeness, courtesy, respect, and Christian love, remembering the Parent Conduct Agreement you signed. (More information concerning parent conduct can be found on page 47)

- We ask that each chaperon follow the guidelines set forth in the parent portion of the Dress Code listed on pages 44 and 45.
- Field trips will be only to the location listed on the permission slip. No other unauthorized stops are allowed, **no exceptions.**
- **If a student does not wish to participate in a field trip, they may opt not to attend but will be counted absent and will be required to make up any work related to the trip, no exceptions.**

Spiritual Life

Chapel

All students attend chapel on a regular basis. Intermediate School chapel is every Thursday morning at 8:15 a.m. Parents are welcome and encouraged to attend chapel services. Services are held in the Main Sanctuary. Denim pants are not to be worn on chapel days.

Missions

In an intentional effort to instill a servant's heart within our students, Grace Christian Academy has developed age level appropriate missions experiences. These experiences are intended to gradually increase a student's understanding and involvement in missions with the ultimate goal that a graduate of Grace Christian Academy will be well equipped to live a life of servant leadership in their families, workplaces, and communities.

The Wilds

Every year, Grace Christian Intermediate Students attend a three-day spiritual emphasis trip to The Wilds in Brevard, North Carolina. This trip is required for all Intermediate School students. It is the belief of Grace Christian Academy administration and School Board that such a trip is integral to the spiritual development of its students. As a spiritual emphasis trip, students may at times share intimate details of their lives with their peers and the chaperones. As such, parents will not be allowed to attend for any reason. This is to protect the privacy and confidentiality of the students in attendance as well as to ensure that each student feels comfortable delving into their personal spiritual growth uninhibited by a parent's presence. Intermediate School teachers will chaperone the trips and are expected to respect the confidentiality of their students. More information concerning the trip will be given at orientation and as the date approaches in mid-October.

Dress Code

Grace Christian Academy wishes to develop within its students a feeling of confidence that is assured by proper hygiene and grooming and appropriate dress. If we look to the Scriptures for a dress guideline that would be appropriate we find that the underlying theme is one of cleanliness and modesty. Student dress and grooming should be God-pleasing and provide no distractions to the educational atmosphere of the school. The following guidelines for appropriate school dress have been agreed upon and set forth by the administration and the school board and should be followed at all times, **no exceptions**:

- Students must wear approved school uniform.

Requirements for Boys:

- Students must wear a royal blue, orange, white or light grey collared polo shirt which must bear the GCA logo.
- Students have the option of wearing:

- Students must wear a white collared polo shirt and approved khaki/tan pants or shorts on Chapel Day.

- No piercing on boys will be allowed and girls may only have pierced ears (only 2 sets). **No other piercings are permitted, no exceptions.**
- No tattoos (temporary or permanent) are permitted.
- Hair must be neatly trimmed and styled. No cuts with designs or Mohawks. For boys, hair must be above the eyebrows and not covering the eyes and should be above the ear lobes. Any hairstyle that causes undue attention to the person is not acceptable at school. This includes extreme coloration (all hair coloration must be a natural hair color) or eclectic styles.

Students are expected to adhere to these same guidelines at all home and away activities that Grace Christian may host or be involved in. As students of Grace Christian Academy, they are ambassadors of their school and should reflect the mission of Grace Christian Academy at all times.

Should a student violate any of these prohibitions, the parent of that student will be notified immediately so that they may bring school appropriate attire for the student to change into. Should the parent be unable to bring a change of clothes, the school will provide appropriate attire. If the student should have additional dress code violations after their first, further punishments will be administered, including, but not limited to, suspension. **The administrator makes all final decisions on appropriate attire.**

Discipline

The Bible clearly indicates that parents/guardians are responsible for the discipline (that is, training or instruction) of their children. Grace Christian Academy exists to assist parents/guardians in this God-given responsibility. Grace Christian Academy does not seek to assume the task which God gives to parents, but only to serve as the parents'/guardians' appointed and authorized representatives in the training process. Grace Christian Academy's system of student discipline and educational philosophy is structured in such a way so as to mirror the Bible's guidelines for reproof and instruction.

Attendance at Grace Christian is a privilege and not a right. Grace Christian Academy reserves the right at the sole discretion of the administration and/or the School Board to dismiss students from their enrollment if at any time it is decided by the aforementioned entities that the school can no longer assist in the educational process of the student. Furthermore, Grace Christian Academy, the administration, and the School Board, reserve the right at their sole discretion to deny readmission to any student whose actions demonstrate that it is not in the school's best interest to allow readmission.

Disciplinary Goals

Grace Christian Academy seeks to accomplish three primary disciplinary goals. It is the belief of the administration that these goals are integral to the personal development of every individual.

1. **Respect for those in authority.** Christ Himself cautioned against rebellious attitudes towards governing officials and in the book of Romans Paul tells us to submit ourselves to those in authority over us. In chapter 13, verse 2, he tells us, “Therefore whoever resists the authorities resists what God has appointed, and those who resist will incur judgment.” Rebellious attitudes have no place in the hearts of the children of God, and Grace Christian Academy discourages any such attitudes, beliefs, doctrines, creeds, and actions. Micah 6:8 tells us that God desires our humble submission. Therefore, those who are in authority, being put there by God, should also have our humble submission.
2. **Personal responsibility for one’s own actions.** 2 Corinthians 5:10 tells us “For we must all appear before the judgment seat of Christ, so that each one may receive what is due for what he has done in the body, whether good or evil.” Every person is responsible for his or her own deeds. Personal responsibility is among the most important of our core values and as such is a part of our disciplinary goals. Regardless of those involved, when we find ourselves in the place of reproof, we must accept blame where blame is due and accept the resulting consequences as well. In this way we as educators hope to develop in our students a strong work ethic and mature hearts willing to admit fault.
3. **Consideration of others.** With the development of new technologies every day, it becomes more and more apparent just how small our world is. Christ tells us in Matthew 22:37-40 “And he said to him, “You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself. On these two commandments depend all the Law and the Prophets.” Paul reaffirms this in Galatians 5:13 “For the whole law is fulfilled in one word: ‘You shall love your neighbor as yourself.’” Clearly Christ intends for us to show the love of God to all people, not just other Christians, and to be considerate of them. In Ephesians 4:25-32 Paul tells us “Therefore, having put away falsehood, let each one of you speak the truth with his neighbor, for we are members one of another. Be angry and do not sin; do not let the sun go down on your anger, and give no opportunity to the devil. Let the thief no longer steal, but rather let him labor, doing honest work with his own hands, so that he may have something to share with anyone in need. Let no corrupting talk come out of your mouths, but only such as is good for building up, as fits the occasion, that it may give grace to those who hear. And do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption. Let all bitterness and wrath and anger and clamor and slander be put away from you, along with all malice. Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you.” Grace Christian Academy seeks to instill in each of its students a deep love for the world that Christ came to save. It is our primary goal to make them Micah 6:8 Christians, doing justice and loving mercy at all times with no lack of truth or grace.

Student Expectations and Behavior

At the beginning of each school year, all Intermediate School students and parents will be required to sign a Grace Christian Academy Code of Conduct Agreement.

Discipline Policies

Beginning at the Intermediate School level, student conduct will be monitored based on a conduct point system. Each student will begin the 9-week term with 100 conduct points. Any disciplinary actions taken will carry with them a set conduct point deduction based on the severity of the offense. Conduct points allow teachers to track student disciplinary history. Conduct violations will be tracked using the Sycamore system with all parent notifications concerning conduct being made via the Pass-A-Note system. If a student's 9-week conduct grade falls below a 65 two (2) times during the school year, the student will be dismissed from enrollment. Conduct violations are broken into three primary disciplinary levels:

Conduct Violation System

Level 1 (L1) Conduct Violations

Level 1 conduct violations will carry conduct deductions of 5 points. The first conduct deduction is given as a warning. Should the student be given a second L1 conduct deduction during the same day or class period, that student will be given afternoon detention and a parent notification. L1 conduct violations included chewing gum, minor class disruption or talking while in class, and lack of supplies.

Level 2 (L2) Conduct Violations

Level 2 conduct violations will carry conduct deductions of 10-15 points. L2 conduct violations will result in automatic lunch detention, parent notification, and administrator referral. If the offense is particularly serious or is continued after the first deduction, the student may be asked to leave the class for in-school detention. The student may also face suspension for the remainder of the day or for additional days. L2 conduct violations include horseplay, extreme disruption, lying, violations of the student dress code, disrespect, foul or inappropriate language, misuse of technology, and public displays of affection.

Level 3 (L3) Conduct Violations

Level 3 conduct violations will carry conduct deductions of 20-25 points. L3 conduct violations will result in automatic lunch detention or suspension based on the severity of the offense, parent notification, and administrator referral. If the offense is particularly serious or is continued after the first deduction, the student may be asked to leave the class for in-school detention. L3 conduct violations include cheating, plagiarism, bullying/harassment, damage of personal or school property, fighting, possession or use of tobacco products, and theft.

Level 3 Alert Conduct Violations

Level 3 Alert conduct violations carry the same conditions as regular L3 violations. However, L3 Alerts carry additional consequences. L3 Alert conduct violations include possession or use of controlled substances (drugs and or alcohol) and possession or brandishing of a weapon. In either case, the Cleveland County Sheriffs department will be called to respond to ensure the safety of all other students. The violating student will also be dismissed from enrollment immediately upon violation of either of these disciplinary prohibitions.

Detention

Grace Christian Academy Intermediate School students may be given lunch detention. Lunch detention can be as many as 5 days depending upon the offense. If a student fails to appear for a scheduled detention, additional detention periods will be applied. Excessive detentions will result in in-school suspension or suspension.

Suspension and Dismissals

Grace Christian Academy reserves the right of suspension or dismissal at any time during the school year at the discretion of the respective division head. Any student who persistently neglects work, who fails to meet academic or other standards or qualifications, who exercises poor citizenship, who fails to cooperate, or whose parents/guardians fail to cooperate, may be dismissed from enrollment (expelled). The Headmaster will administer dismissal. Appeal of a dismissal may be made in writing to the School Board within three days of the dismissal. A student may not attend classes during request for an appeal. A student who has lost the privilege to attend Grace Christian Academy is not permitted to attend school related events and will be escorted from the premises.

Harassment Policy

Grace Christian Academy does not tolerate or condone any type of harassment of or by our students, parents, or employees. Conduct, whether intentional or unintentional, that subjects another student to unwanted attention, comments or actions because of race, national origin, sex, physical characteristics or disability, robs the student at whose expense these comments or actions are made of dignity and is not permitted. It includes, but is not limited to, any or all of the following:

- **Verbal harassment:** Verbal harassment is defined as derogatory comments, statements, or jokes; threatening words spoken to another student
- **Physical harassment:** Physical harassment is defined as unwanted physical touching of a non-sexual manner, assault.
- **Visual harassment:** Visual harassment is defined as derogatory drawings, writings, cartoons, or gestures and actions.
- **Sexual harassment:** Sexual harassment is defined as unwanted sexual advances, requests for sexual favors, and comments, statements, jokes, drawings, writings, cartoons, or obscene gestures or actions of a sexual nature.
- **Electronic/Cyber harassment:** Electronic or cyber harassment includes any of the above forms of harassment communicated in electronic fashion via text, email, instant message, or through social media formats.

Any student who believes he or she has been subjected to any form of harassment should report these statements, comments, or actions immediately to a teacher or administrator. Each report will be given serious consideration and investigated thoroughly in a prompt and confidential manner. Should an accused party be found in violation of this policy, **that party will be subject to full disciplinary action up to and including dismissal from enrollment. Students or parents found to have filed false or frivolous accusations of harassment will also be subject to disciplinary action.**

Bullying Policy

In His Word, Christ has called us to love one another with the same love He has shown us (John 15:12). Grace Christian Academy's Bullying Policy exists not to create victims, but to instead foster an atmosphere among its students that emulates this principle of selfless love. Grace Christian Academy does not tolerate bullying of any kind. We seek to empower student's being bullied to be courageous and above the comments and actions of the bully and for other students to show this same Godly courage in intervening in bullying situations. The following actions in an ongoing form may be considered forms of bullying:

- Physical aggression, including hitting, punching, kicking, biting, scratching, etc.
- Teasing or verbal abuse, including putdowns, insults, name-calling or racial/sexually explicit remarks.
- Intentional exclusion from activities or friend groups.
- The setting up of humiliating experiences.
- Damaging a person's property/possessions, taking them without permission, or taking and hiding them (**this will also be considered stealing**).
- Threatening gestures, actions or words.
- Written, verbal, or electronic messages that contain threats, putdowns, gossip or slandering.

From time to time, conflict and offense can occur. As part of living in a sinful world, when we don't always relate to others as we should or when we try to exert power and influence over others, bullying can result.

Grace Christian Academy recognizes that not all behaviors should be considered bullying or willful violations of this policy. Behaviors will be assessed by the teacher and administrator and addressed according to the following procedures:

1. All parties involved will be spoken to. The victim, bully and sufficient bystanders to establish the facts of the situation and to hold them accountable for their actions/inaction. All parties will be asked to give a verified account of what has happened in order to complete a whole picture of the incident in question.
2. All incidents will be documented and written reports will be kept on the behavior.
3. All staff will be informed about the incident so that they may be aware of any issues between students.
4. Any investigations into bullying allegations will be undertaken in a timely manner and will be carried out in such a way as to minimize escalation.
5. Parent of victim and bully will be informed throughout the process and may be invited to be present in discussions. In some cases this may apply to parents of bystanders also.
6. All incidents of bullying will be followed up in writing to parents/caregivers of the victim(s) and bully.
7. Bullying incidents will be followed up and students monitored to ensure the incident is resolved satisfactorily.

It should be noted, **any bystanders who did not act to intervene on the behalf of a student who is being bullied or failed to report instances of bullying may be considered complicit in the incident and**

may subject that student to disciplinary action as well. Also, any instances of retaliation will be handled with serious disciplinary action.

First offenses to this policy will be handled according to classroom disciplinary action and a parent notification will be made. Second offenses will result in a conference between student, parent, and administrator. Further instances that have been deemed bullying will be considered a violation of the harassment policy and will subject the party to the aforementioned disciplinary actions. **Extreme incidents and instances of bullying may be initially considered harassment at the first offense and will be handled accordingly. Cyber bullying will also be considered under the parameters of this policy.**

In order to prevent bullying or to ensure that a student that is being bullied is given justice the following responsibilities have been outlined for students, parents, and staff:

Students

- Students should ask the offending student to stop their behaviors.
- Students being bullied should report it to staff, parents, or another adult.
- Students who are aware of bullying should report it to the **teacher**.
- Students should take appropriate steps to discourage or prevent bullying.
- Students should be willing to resolve bullying situations, employing forgiveness and some changes in behavior.

Parents

- **Parents are to report any concerns of bullying to the teacher first.**
- **Parents must accept that the whole story may be quite complex and trust the school to resolve bullying matters.**
- **Parents not satisfied with the action may refer to administration if the need arises.**
- **At no time should a parent seek to handle instances of bullying at school themselves. Parents should be willing to allow the school to act as mediator in order that the situation may be resolved in a fair and balanced manner.**

Staff

- Non-teaching staff are instructed to refer all allegations of bullying to the teacher or administrator (in that order).
- Teaching staff are instructed to establish whether an alleged incident is isolated or an ongoing pattern of behavior (bullying).
- Teaching staff are instructed to report to the administrator any allegations/incidents of bullying.
- Teaching staff are instructed to follow up on instances of bullying and to monitor students involved to ensure the incident is resolved satisfactorily.

Guns and Weapons Policy

Grace Christian Academy does not allow guns, knives, weapons or other facsimiles on campus. Violations of this policy will result in the immediate dismissal of the participating student or students with the exception of facsimile, which may result in suspension or dismissal at the discretion of the Headmaster.

Electronic Communication Device (Cell Phone, Smart Watch) Policy

In an effort to create a distraction free learning environment, Grace Christian Academy has adopted a zero-tolerance policy for electronic communication devices during school hours. **Student devices should be turned off and stored in the student's locker and should not be visible at any time during the school day.** If a device is brought to class or the device rings during class, disciplinary action will be taken and the device confiscated. **Forgetting to turn off the device is not an excuse for violation.**

Use of devices during a test for any reason will automatically be considered cheating, and appropriate academic and disciplinary action will be taken. No taking of photographs or other use of phone cameras is permitted on school property. **No devices are permitted in restrooms at any time and any violations of this prohibition will result in serious disciplinary action.**

Parents should not consider their student's device as a means of contacting their student for any reason during the school day. All student phone calls, incoming and outgoing, should be made through the school office. Parents who need to contact their student during the school day for emergency purposes should use the school's emergency contact process outlined on page 22.

Disciplinary consequences for violations of any part for any reason of the electronic communication devices policy shall be as follows:

- **First offense:**
 - The device will be confiscated and held in the school office for **24 hours**.
 - After the 24 hour period, the parent/guardian may retrieve the device from the school office during normal school hours until 4:00 p.m. The device will not be returned to the student for any reason.
- **Second offense:**
 - The device will be confiscated and held in the school office for **3 days**.
 - The student will receive one day of Lunch Detention.
 - After 3 days, the parent/guardian may retrieve the device from the school office during normal school hours until 4:00 p.m. The device will not be returned to the student for any reason.
- **Third offense:**
 - The device will be confiscated and held by administration for **7 days**.
 - The student will receive **3 days** of Out of School Suspension. Absences will accrue and zeros will be given for any missed work.
 - After 7 days, the parent/guardian may retrieve the device from the school office during normal school hours until 4:00 p.m. The device will not be returned to the student for any reason.

- The student will lose the privilege to have their communication device on the school campus for the remainder of the year.
- **Fourth offense:**
Student will be dismissed from enrollment at Grace Christian Academy.

If a student is caught using another student's device, disciplinary action will be administered to both parties involved. Grace Christian Academy accepts no responsibility for use, breakage, theft or loss of communication devices or other personal items.

Electronic Communication/Social Media/Online Presence Policy

As members of the Grace Christian Academy community, students, parents, and staff are ambassadors of the school and more importantly ambassadors and witnesses of Jesus Christ. This same ambassadorship applies to online communications both at home and at school. This includes but is not limited to, email, chat, instant-messaging, video calls, texting, gaming, and social networking sites (Instagram, Facebook, Twitter, YikYak, etc.). In all of our online communications, whether they be with our peers, classmates, teachers, or otherwise we will treat others with love, grace, and respect as Christ commands us to. Any illegal, disrespectful, obscene, sexually explicit, inflammatory language or media, ethnic or racial slurs, bullying, harassment, defamation, or other similar content posted or sent online will result in disciplinary action up to and including expulsion.

Social networking sites such as the ones listed above are not allowed at school, **no exceptions.** However, the school realizes that many students do have access to these sites outside of school. Students and Parents/Guardians are reminded that regardless of where their posting originates, be it home or otherwise, any text, photographs, or videos they put on these sites or similar that are obscene, sexually explicit, derogatory to the school or the school community, demean or bully students or faculty is prohibited and will be reported to the appropriate 'report abuse' section of the network site and, if needed, may be referred to local law enforcement agencies. The school will also expect that any student or parent/guardian remove such posts and comments immediately. Any further instances may result in the student losing the privilege of enrollment at Grace Christian Academy.

Recording Device Policy

Students may not use any recording devices on the school grounds at any time. This includes transmitting images, taking photographs with phones, camera or other recording device, or using any electronic device on an audio or video record setting.

Exceptions to this policy apply only to Grace Christian Academy students that have been approved for the use of a camera or video camera to record images for curriculum or school related projects or purposes.

Additional Policies

Lockers

Students are assigned lockers for their personal use. Fire code prevents items from being stored outside the lockers in the hallway. LOCKERS ARE THE PRIVATE PROPERTY OF THE SCHOOL AND, AS SUCH, ARE SUBJECT TO SEARCH/INSPECTION BY THE SCHOOL AT ANY TIME. **Students are not permitted to store opened food or drink in lockers.** Stickers and writing with dry erase markers are not permitted on the outside or inside of any locker. Magnets placed on the inside of the student's locker must be school appropriate and must be removed at the end of the school year. If the student applies anything to the locker that he/she cannot remove, a *\$10 fee* will be charged to the parents' account.

Areas Off Limits

The following areas are considered off limits to students:

- Restrooms designated for the opposite sex.
- Staff offices, workrooms, or work areas without permission.
- Christian Freedom Church property not in use by the school without permission.
- All parking lots and roadways during school hours without permission.
- Hallways before 8:00 a.m. and after 3:00 p.m. without teacher permission.
- Closets and storage areas without permission.
- Kitchen in the Main Building without permission.

Search and Seizure Policy

In order to maintain an ordered and disciplined learning environment, and to protect the safety and welfare of students and personnel, school authorities may request a search of a student, student lockers, or student vehicles under the circumstances outlined below and may seize illegal, unauthorized or contraband materials discovered in the search. Grace Christian Academy reserves the right to invite the Cleveland County Sheriff's Department or an appropriate narcotics search group to visit at any time during the school year to search for drugs. Any alcohol, drugs or drug paraphernalia found in back packs, lockers, vehicles or other items under student's control will be considered possession.

A student and/or personal effects (i.e. purse, back pack, etc.) may be searched whenever a school authority has reasonable suspicion that the student is in possession of illegal or unauthorized/prohibited materials. Students may be asked to empty their pockets, purses, wallets, back packs, etc. without the parent's permission or the student's permission. Enrollment of the child constitutes parental consent to such searches. If the student refuses and the school feels a personal search of the student's person or belongings is required (as per the safety of that student or any other student) then the parents will be called and must come to the school to perform the search. **If the parents fail to come to the school to perform the search within one (1) hour of the phone call, and/or the student refuses to empty their pockets or remove from their person what is suspected, then the student's privilege to attend Grace Christian**

Academy will be revoked immediately and they will be expelled from enrollment. If a phone is confiscated, Grace Christian Academy reserves the right to review the phone's content for any reason.

Student desks and lockers are Grace Christian Academy property, and as such remain under the control of Grace Christian Academy at all times and are subject to search, both random and initiated under suspicion, at any time. Grace Christian Academy exercises exclusive control over school property, and students should not expect privacy regarding items placed in school property for these reasons. Students are responsible for all items contained within desks and lockers, and any illegal, unauthorized, or contraband items found in a student's desk or locker will constitute possession. **Periodic general inspections of desks and lockers are conducted by school authorities for any reason at any time without notice, student consent, parental consent, or search warrant.**

If a properly conducted search yields illegal or contraband materials, **such findings will be turned over to the proper authorities for ultimate disposition.**

Teen Pregnancy and/or Marriage

Grace Christian Academy believes in providing a wholesome environment conducive to learning for all its students. We believe teenage pregnancy and/or marriage are incompatible and impermissible within this environment. Individual situations that conflict with this standard will be evaluated case by case with an attempt to find the best solution for the individual and the student body as a whole. However, no married student, pregnant student, or student responsible for a pregnancy may attend daily classes at Grace Christian Academy.

Transfer Grade Point Average and Transcript

If a student has transferred in to Grace, the transcript and GPA from the previous school will be submitted and factored in with their Grace Christian Academy transcript.

Class Rank

Grace Christian Academy does not rank students except to determine valedictorian and salutatorian. The grade point averages used to determine the valedictorian and salutatorian will be rounded to the hundredths. For external reporting purposes, Grace Christian will only report at the highest decile (10%) level.

Honor Graduate Levels

Honor levels shall be assessed based on GPA and are divided as follows:

- **Cum Laude: 3.50-3.64**
- **Magna Cum Laude: 3.65-3.79**
- **Summa Cum Laude: 3.80-4.00**

Textbooks

All textbooks for Secondary School students are included in their book fee due at the beginning of the year. Grace Christian Academy uses the A Beka curriculum and textbooks. The textbooks are the personal property of the student. As such, they are the student's responsibility. The texts should be kept in good condition for the entire year with the exception of normal wear and tear. If the texts are found to be in extreme disrepair from obvious neglect, a new text will be ordered for the student and that student's account billed for the new text. Secondary School teachers may from time to time supplement their lessons with extracurricular texts. These texts have been pre-approved by the administration and School Board as classroom supplements.

Courses of Study

In order to graduate, students in the Secondary School must earn a minimum of 24 credits. Seven or more credits are available each year through Grace Christian Academy. Juniors and Seniors qualify for extended elective credits through the College Promise Program. Credits are awarded on a semester basis.

Career and College Promise Program

In an effort to offer our students the most opportunity possible in preparing for college, Grace Christian Academy is approved for the Career and College Promise Program with Cleveland Community College. Rising Juniors and Seniors are eligible for the program and must test into it. The Career and College Promise Program allows students to dual enroll for their core subjects allowing them to earn college credit and their high school credit at the same time. It also allows them to take other college classes as electives. The College Promise Program is free to students who are eligible with the only cost being any texts or materials needed for the class. Eligible students will take the classes online through CCC and must be enrolled and present on the Grace Christian Academy campus for their core subjects. Students who do not place into the core program may still be eligible for dual enrollment of other classes and will be decided for on a case-by-case basis. All classes taken for dual enrollment core credit will be counted as honors classes. **This only applies to core classes.** Juniors who place into the program initially may graduate from Grace Christian Academy having earned at the highest level an Associate's Degree.

Make-Up Work

The student will have **two school days to complete work missed while absent. It is the student's responsibility to complete any missed assignments.** The student is expected to check with their teachers for any make up work upon returning from an absence. If the student misses a test, quiz or project/assignment due date while absent, the student will be expected to complete the missed test, quiz, or project/assignment the day they return to school, provided the student was informed of the due date prior to their absence. If the student arrives on the day of a pre-announced test, quiz, or project/assignment late due to a partial day absence, the student is expected to complete the test, quiz, or project/assignment on the day it is given, **no exceptions.**

Students will be allotted ten school days to work with their teacher to change an incomplete received as a nine-week grade to a passing letter grade. Students not meeting the ten-day deadline will receive a zero for incomplete work except in cases of extreme hardship. These cases will be handled on an individual basis.

Late Work Policy

Student responsibility for turning in work is an important life skill that students must develop early. Your child's teacher will provide their late work policy at the beginning of the school year.

Parent/Teacher Communication

Communication between parent and teacher is integral to a student's performance in class. As students in the Secondary School, your student will be expected to exercise a new level of personal responsibility. From time to time, information will be sent home by the teacher both via email and hard copy, however it is the students responsibility to stay current with all school related information and assignments.

Your student's teacher will be responsible for giving you their email at the beginning of the school year. It will also be posted on their profile through Sycamore. Email and the Pass-a-Note system on Sycamore are the best ways to correspond with your student's teacher short of meeting with them for a conference.

Testing

Grace Christian Academy will administer standardized tests in the spring to Grades 9 through 12. These tests help to measure the academic achievement of our school and to put into perspective how well our students are learning. A formal notice will be sent home in the weeks preceding testing concerning test dates and proper sleep and nutrition habits during the testing week.

Juniors and Seniors will be given the opportunity to take the PSAT and the SAT during the school year. More information about test dates will be given at the beginning of the school year.

Grade Promotion Policy

If a student receives any failing final grades in the four core subjects (mathematics, language arts, science, and history), that student may be subject to individual tutoring or summer school (summer school is offered at the teacher and the administrations discretion and will be at the expense of the parent) and may not be promoted. If a student receives any failing final grades in two or more core subjects, the student will be required to repeat their current grade level.

Code of Academic Integrity

The Administration and Faculty of Grace Christian Academy in accordance with the Student Conduct Policy, expect the same level of integrity, honesty, and motivation from its student body in the completion of all work and assignments. We strive for excellence, not for man's approval, but for the approval of our Heavenly Father. Therefore, we must work as though we work for the Lord (1 Corinthians 10:31). That said, below is the Code of Academic Honesty and Integrity as has been outlined and approved by the Faculty, Administration, and School Board:

Concerning Cheating:

Cheating damages the evaluation process and includes the following prohibitions:

- Communication during a test or quiz by talking and or using predetermined signals or signs.
- Having any notes/answers visible during an assessment unless express consent is given by the instructor as in the case of open book tests or quizzes or take-home tests.
- Any and all unauthorized collaboration during an assessment or assignment as in reports, papers, projects etc. where independent work is required.
- Willfully damaging the academic work of others.
- Submitting, in whole or part, any work by another student, including copying of another's work during an assessment
- The use of cell phones, iPods, iPads, laptops, desktops, etc. in sending and receiving texts, instant messages, emails, or any other digital communication containing answers or for retrieving answers from the internet.

Concerning Plagiarism:

Plagiarism is defined as the taking of another person's ideas or writings and presenting them as one's own or without proper acknowledgement, thus plagiarism is stealing and a serious violation of academic honesty. Plagiarism includes the following prohibitions:

- Paraphrasing or "cut-and-paste" inserts copied from online or printed sources is considered plagiarism if not cited properly within the text or quoted properly. Therefore, hard copies of all internet sources must be presented with the paper or report for cross referencing.
- The use of any internet sources that distribute completed research papers or reports is a flagrant violation of the Code of Academic Honesty and Integrity and such violations will be dealt with severely including a failing grade and/or suspension/expulsion at the discretion of the School Board.
- Use of online foreign language translators is prohibited unless explicit permission is given by the instructor per assignment.
- Students may not use abridged copies of class texts, Spark Notes, Cliff Notes, or any other non-academic hard copy or online source of literary analysis unless explicit consent is given by the instructor per assignment.
- For Lab assignments for any science course, the student is to collect his or her own data for any experiments unless working with a lab partner. A student may only use another student's data if explicit consent is given by the instructor on occasions of missed labs that have been excused. When another student's data is used, proper documentation must be made in the lab report. All other portions of lab reports must be done individually and in the writer's own words.
- A student may not present or submit the same assignment in one or more classes unless explicit permission is given by both instructors. This is considered self-plagiarism and is prohibited unless the aforementioned parameters are met.
- Proper instruction will be given by the teacher concerning proper documentation in research papers, book reports, and lab reports of any and all source material, quotes, etc.

Any and all actions of plagiarism or cheating violation will result in a conduct documentation and a zero or failing grade on the assessment or assignment in question. Any additional penalties will be administered by the Principal and/or School Board and may include suspension and/or dismissal from enrollment, depending on the severity of the action and the students past indiscretions concerning academic honesty.

Tutoring/Academic Support

Tutoring and Academic Support are available to the student if either is needed. The teacher may contact you the parent in order to discuss this need as well as to set up tutoring. If you feel your student needs tutoring or Academic Support, you may also contact your student's teacher at any time to discuss this need, however, we do ask that at the Secondary School level, your student begin to contact their teacher if they feel like they need tutoring or extra help.

Academic Watch

Any student who has two D's or one F at any eligibility check point (or sooner if determined appropriate by administration) will be placed on academic watch. Individualized interventions may be implemented for a student who falls into this category. Student's on academic watch are those that are at risk of being on academic probation.

Academic Probation

Any student who is failing two classes at the quarter or end of the year will be placed on academic probation and will be considered ineligible to participate in athletics or extracurricular activities until the next academic checkpoint. Students on academic probation will be held accountable, at minimum, for the interventions as defined above for academic watch. Students may be eligible for practice (coach's discretion) during academic probation. A student who is placed on academic probation following the fourth quarter will be considered ineligible at the beginning of the next school year. This eligibility determination can be adjusted upon the completion of appropriate coursework for credit retrieval prior to the first day of the next school year.

Sycamore Education

Sycamore Education is an online tool that our school utilizes to communicate with parents and students, to track grades and post assignments or lessons, as well as to track student disciplinary issues. A formal orientation using the system will be given to all new families and by grade at the beginning of each school year to ensure parents are connected to the system and familiar with using it. Intermediate School students will be given an account to administer online classroom resources and to prepare them for the use of such tools to a greater extent in the Secondary School.

Spiritual Life

Chapel

All students attend chapel on a regular basis. Secondary School chapel is every Thursday morning at 8:15 a.m. Parents are welcome and encouraged to attend chapel services. Services are held in the Main Sanctuary. Denim pants may not be worn on chapel days.

Missions

In an intentional effort to instill a servant's heart within our students, Grace Christian Academy has developed age level appropriate missions experiences. These experiences are intended to gradually increase a student's understanding and involvement in missions with the ultimate goal that a graduate of Grace Christian Academy will be well equipped to live a life of servant leadership in their families, workplaces, and communities.

Spiritual Emphasis Week

Every year, Grace Christian Secondary School students are required to participate in a spiritual emphasis trip that challenges their personal and spiritual development. To ensure students feel uninhibited during these trips, parents will not be allowed to attend. More information concerning this trip in mid-October will be given at orientation and as the date approaches.

Dress Code

Grace Christian Academy wishes to develop within its students a feeling of confidence that is assured by proper hygiene and grooming and appropriate dress. If we look to the Scriptures for a dress guideline that would be appropriate we find that the underlying theme is one of cleanliness and modesty. Student dress and grooming should be God-pleasing and provide no distractions to the educational atmosphere of the school. The following guidelines for appropriate school dress have been agreed upon and set forth by the administration and the school board and should be followed at all times, **no exceptions**:

- Students must wear approved school uniform.
 - Requirements for Boys:**

Any hairstyle that causes undue attention to the person is not acceptable at school. This includes extreme coloration (all hair coloration must be a natural hair color) or eclectic styles.

Students are expected to adhere to these same guidelines at all home and away activities that Grace Christian may host or be involved in. As students of Grace Christian Academy, they are ambassadors of their school and should reflect the mission of Grace Christian Academy at all times.

Should a student violate any of these prohibitions, the parent of that student will be notified immediately so that they may bring school appropriate attire for the student to change into. Should the parent be unable to bring a change of clothes, the school will provide appropriate attire. If the student should have additional dress code violations after their first, further punishments will be administered, including, but not limited to, suspension. **The administrator makes all final decisions on appropriate attire.**

Discipline

The Bible clearly indicates that parents/guardians are responsible for the discipline (that is, training or instruction) of their children. Grace Christian Academy exists to assist parents/guardians in this God-given responsibility. Grace Christian Academy does not seek to assume the task which God gives to parents, but only to serve as the parents'/guardians' appointed and authorized representatives in the training process. Grace Christian Academy's system of student discipline and educational philosophy is structured in such a way so as to mirror the Bible's guidelines for reproof and instruction.

Attendance at Grace Christian is a privilege and not a right. Grace Christian Academy reserves the right at the sole discretion of the administration and/or the School Board to remove students from their enrollment if at any time it is decided by the aforementioned entities that the school can no longer assist in the educational process of the student. Furthermore, Grace Christian Academy, the administration, and the School Board, reserve the right at their sole discretion to deny readmission to any student whose actions demonstrate that it is not in the school's best interest to allow readmission.

Disciplinary Goals

Grace Christian Academy seeks to accomplish three primary disciplinary goals. It is the belief of the administration that these goals are integral to the personal development of every individual.

1. **Respect for those in authority.** Christ himself cautioned against rebellious attitudes towards governing officials and in the book of Romans Paul tells us to submit ourselves to those in authority over us. In chapter 13, verse 2, he tells us, "Therefore whoever resists the authorities resists what God has appointed, and those who resist will incur judgment." Rebellious attitudes have no place in the hearts of the children of God, and Grace Christian Academy discourages any such attitudes, beliefs, doctrines, creeds, and actions. Micah 6:8 tells us that God desires our humble submission. Therefore, those who are in authority, being put there by God, should also have our humble submission.
2. **Personal responsibility for one's own actions.** 2 Corinthians 5:10 tells us "For we must all appear before the judgment seat of Christ, so that each one may receive what is due for what he has done in the body, whether good or evil." Every person is responsible for his or her own deeds. Personal responsibility is among the most important of our core values and as such is a part of our disciplinary goals. Regardless of those involved, when we find ourselves in the place of reproof, we must accept blame where blame is due and accept the resulting consequences as well. In this way we as educators hope to develop in our students a strong work ethic and mature hearts willing to admit fault.
3. **Consideration of others.** With the development of new technologies every day, it becomes more and more apparent just how small our world is. Christ tells us in Matthew 22:37-40 "And he said to him, "You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself. On these two commandments depend all the Law and the Prophets." Paul reaffirms this in Galatians 5:13 "For the whole law is fulfilled in one word: 'You shall love your neighbor as yourself.'" Clearly Christ intends for us to show the love of God to all people, not just

other Christians, and to be considerate of them. In Ephesians 4:25-32 Paul tells us “Therefore, having put away falsehood, let each one of you speak the truth with his neighbor, for we are members one of another. Be angry and do not sin; do not let the sun go down on your anger, and give no opportunity to the devil. Let the thief no longer steal, but rather let him labor, doing honest work with his own hands, so that he may have something to share with anyone in need. Let no corrupting talk come out of your mouths, but only such as is good for building up, as fits the occasion, that it may give grace to those who hear. And do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption. Let all bitterness and wrath and anger and clamor and slander be put away from you, along with all malice. Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you.” Grace Christian Academy seeks to instill in each of its students a deep love for the world that Christ came to save. It is our primary goal to make them Micah 6:8 Christians, doing justice and loving mercy at all times with no lack of truth or grace.

Student Expectations and Behavior

- Students will respect the authority of all adults and rights and property of others. Disrespect toward fellow students, teachers or other staff in attitude, words or actions will not be tolerated. Blatant disrespect resulting in the student being dismissed from the classroom or a school activity will result in a parent phone call.
- Students will maintain academic and personal integrity as previously described.
- Gum chewing is strictly prohibited.
- Students will adhere to the student dress code at all times.
- No food or drinks, with the exception of water, will be allowed in the classroom except during approved periods.
- Lying, cheating, or stealing will not be tolerated. This includes the taking and hiding of another student’s belongings.
- Horseplay of any kind is prohibited.
- Students should be punctual to class, arriving with all necessary materials.
- Foul and abusive language and fighting in any form is not acceptable.
- Use of profanity, vulgarity, or obscene body language is not acceptable.

Parent Expectations and Behavior

- Parents are expected to dress modestly and appropriately at all on campus, off campus, and school related events and field trips.
- Parents are expected to be respectful of school staff and students and display Christ-like behavior and speech that is edifying. Any school related concerns should be addressed according to the Matthew 18 principle (see page 23) and should be voiced only to those concerned.
- Parents are responsible to know and adhere to all school policies and procedures.

At the beginning of each school year, all Secondary School students and parents will be required to sign a Grace Christian Academy Code of Conduct Agreement.

Discipline Policies

At the Secondary School level, student conduct will be monitored based on a conduct point system. Each student will begin the 9-week term with 100 conduct points. Any disciplinary actions taken will carry with them a set conduct point deduction based on the severity of the offense. Conduct points allow teachers to track student disciplinary history. Conduct violations will be tracked using the Sycamore system with all parent notifications concerning conduct being made via the Pass-A-Note system. If a student's 9-week conduct grade falls below a 65 two (2) times in one year, the student will be dismissed from enrollment. Conduct violations are broken into three primary disciplinary levels:

Conduct Violation System

Level 1 (L1) Conduct Violations

Level 1 conduct violations will carry conduct deductions of 5 points. The first conduct deduction is given as a warning. Should the student be given a second L1 conduct deduction during the same day or class period, that student will be given afternoon detention and a parent notification. L1 conduct violations included chewing gum, minor class disruption or talking while in class, and lack of supplies.

Level 2 (L2) Conduct Violations

Level 2 conduct violations will carry conduct deductions of 10-15 points. L2 conduct violations will result in automatic lunch detention, parent notification, and administrator referral. If the offense is particularly serious or is continued after the first deduction, the student may be asked to leave the class for in-school detention. The student may also face suspension for the remainder of the day or for additional

days. L2 conduct violations include horseplay, extreme disruption, lying, violations of the student dress code, disrespect, foul or inappropriate language, misuse of technology, and public displays of affection.

Level 3 (L3) Conduct Violations

Level 3 conduct violations will carry conduct deductions of 20-25 points. L3 conduct violations will result in automatic lunch detention or suspension based on the severity of the offense, parent notification, and administrator referral. If the offense is particularly serious or is continued after the first deduction, the student may be asked to leave the class for in-school detention. L3 conduct violations include cheating, plagiarism, bullying/harassment, damage of personal or school property, fighting, possession or use of tobacco products, and theft.

Level 3 Alert Conduct Violations

Level 3 Alert conduct violations carry the same conditions as regular L3 violations. However, L3 Alerts carry additional consequences. L3 Alert conduct violations include possession or use of controlled substances (drugs and or alcohol) and possession or brandishing of a weapon. In either case, the Cleveland County Sheriff's department will be called to respond to ensure the safety of all other students. The violating student will also be removed from enrollment immediately upon violation of either of these disciplinary prohibitions.

Detention

Grace Christian Academy Secondary School students may be given in-school or lunch detention. Lunch detention can be as many as 5 days depending upon the offense. If a student is given in-school detention, they will be counted absent for the class or class period in which they were dismissed from. If a student fails to appear for a scheduled detention, additional detention periods will be applied. Excessive detentions will result in in-school suspension or suspension.

Suspension and Dismissals

Grace Christian Academy reserves the right of suspension or dismissal at any time during the school year at the discretion of the respective division head. Any pupil who persistently neglects work, who fails to meet academic or other standards or qualifications, who exercises poor citizenship, who fails to cooperate, or whose parents/guardians fail to cooperate, may be dismissed from enrollment (expelled). The Headmaster will administer dismissal. Appeal of a dismissal may be made in writing to the School Board within three days of the dismissal. A student may not attend classes during request for an appeal. A student who has lost the privilege to attend Grace Christian Academy is not permitted to attend school related events and will be escorted from the premises.

Harassment Policy

Grace Christian Academy does not tolerate or condone any type of harassment of or by our students, parents, or employees. Conduct, whether intentional or unintentional, that subjects another student to unwanted attention, comments or actions because of race, national origin, sex, physical

characteristics or disability, robs the student at whose expense these comments or actions are made of dignity and is not permitted. It includes, but is not limited to, any or all of the following:

- **Verbal harassment:** Verbal harassment is defined as derogatory comments, statements, or jokes; threatening words spoken to another student
- **Physical harassment:** Physical harassment is defined as unwanted physical touching of a non-sexual manner, assault.
- **Visual harassment:** Visual harassment is defined as derogatory drawings, writings, cartoons, or gestures and actions.
- **Sexual harassment:** Sexual harassment is defined as unwanted sexual advances, requests for sexual favors, and comments, statements, jokes, drawings, writings, cartoons, or obscene gestures or actions of a sexual nature.
- **Electronic/Cyber harassment:** Electronic or cyber harassment includes any of the above forms of harassment communicated in electronic fashion via text, email, instant message, or through social media formats.

Any student who believes he or she has been subjected to any form of harassment should report these statements, comments, or actions immediately to a teacher or administrator. Each report will be given serious consideration and investigated thoroughly in a prompt and confidential manner. Should an accused party be found in violation of this policy, **that party will be subject to full disciplinary action up to and including dismissal from enrollment. Students or parents found to have filed false or frivolous accusations of harassment will also be subject to disciplinary action.**

Bullying Policy

In His Word, Christ has called us to love one another with the same love He has shown us (John 15:12). Grace Christian Academy's Bullying Policy exists not to create victims, but to instead foster an atmosphere among it's students that emulates this principle of selfless love. Grace Christian Academy does not tolerate bullying of any kind. We seek to empower student's being bullied to be courageous and above the comments and actions of the bully and for other students to show this same Godly courage in intervening in bullying situations. The following actions in an ongoing form may be considered forms of bullying:

- Physical aggression, including hitting, punching, kicking, biting, scratching, etc.
- Teasing or verbal abuse, including putdowns, insults, name calling or racial/sexually explicit remarks.
- Intentional exclusion from activities or friend groups.
- The setting up of humiliating experiences.
- Damaging a person's property/possessions, taking them without permission, or taking and hiding them (**this will also be considered stealing**).
- Threatening gestures, actions or words.
- Written, verbal, or electronic messages that contain threats, putdowns, gossip or slandering.

From time to time, conflict and offense can occur. As part of living in a sinful world, when we don't always relate to others as we should or when we try to exert power and influence over others, bullying can result.

Grace Christian Academy recognizes that not all behaviors should be considered bullying or willful violations of this policy. Behaviors will be assessed by the teacher and administrator and addressed according to the following procedures:

1. All parties involved will be spoken to. The victim, bully and sufficient bystanders to establish the facts of the situation and to hold them accountable for their actions/inaction. All parties will be asked to give a verified account of what has happened in order to complete a whole picture of the incident in question.
2. All incidents will be documented and written reports will be kept on the behavior.
3. All staff will be informed about the incident so that they may be aware of any issues between students.
4. Any investigations into bullying allegations will be undertaken in a timely manner and will be carried out in such a way as to minimize escalation.
5. Parent of victim and bully will be informed throughout the process and may be invited to be present in discussions. In some cases this may apply to parents of bystanders also.
6. All incidents of bullying will be followed up in writing to parents/caregivers of the victim(s) and bully.
7. Bullying incidents will be followed up and students monitored to ensure the incident is resolved satisfactorily.

It should be noted, **any bystanders who did not act to intervene on the behalf of a student who is being bullied or failed to report instances of bullying may be considered complicit in the incident and may subject that student to disciplinary action as well. Also, any instances of retaliation will be handled with serious disciplinary action.**

First offenses to this policy will be handled according to classroom disciplinary action and a parent notification will be made. Second offenses will result in a conference between student, parent, and administrator. Further instances that have been deemed bullying will be considered a violation of the harassment policy and will subject the party to the aforementioned disciplinary actions. **Extreme incidents and instances of bullying may be initially considered harassment at the first offense and will be handled accordingly. Cyber bullying will also be considered under the parameters of this policy.**

In order to prevent bullying or to ensure that a student that is being bullied is given justice the following responsibilities have been outlined for students, parents, and staff:

Students

- Students should ask the offending student to stop their behaviors.
- Students being bullied should report it to staff, parents, or another adult.
- Students who are aware of bullying should report it to the **teacher**.
- Students should take appropriate steps to discourage or prevent bullying.
- Students should be willing to resolve bullying situations, employing forgiveness and some changes in behavior.

Parents

- Parents are to report any concerns of bullying to the teacher first.
- Parents must accept that the whole story may be quite complex and trust the school to resolve bullying matters.
- Parents not satisfied with the action may refer to administration if the need arises.
- At no time should a parent seek to handle instances of bullying at school themselves. Parents should be willing to allow the school to act as mediator in order that the situation may be resolved in a fair and balanced manner.

Staff

- Non-teaching staff are instructed to refer all allegations of bullying to the teacher or administrator (in that order).
- Teaching staff are instructed to establish whether an alleged incident is isolated or an ongoing pattern of behavior (bullying).
- Teaching staff are instructed to report to the administrator any allegations/incidents of bullying.
- Teaching staff are instructed to follow up on instances of bullying and to monitor students involved to ensure the incident is resolved satisfactorily.

Guns and Weapons Policy

Grace Christian Academy does not allow guns, knives, weapons or other facsimiles on campus. Violations of this policy will result in the immediate dismissal of the participating student or students with the exception of facsimile, which may result in suspension or dismissal at the discretion of the Principle.

Electronic Communication Device (Cell Phone, Smart Watch) Policy

In an effort to create a distraction free learning environment, Grace Christian Academy has adopted a zero-tolerance policy for electronic communication devices during school hours. **Student devices should be turned off and stored in the student's locker or vehicle and should not be visible at any time during the school day.** If a device is brought to class or the device rings during class, disciplinary action will be taken and the device confiscated. **Forgetting to turn off the device is not an excuse for violation.**

Use of devices during a test for any reason will automatically be considered cheating, and appropriate academic and disciplinary action will be taken. No taking of photographs or other use of phone cameras is permitted on school property. **No devices are permitted in restrooms at any time and any violations of this prohibition will result in serious disciplinary action.**

Parents should not consider their student's device as a means of contacting their student for any reason during the school day. All student phone calls, incoming and outgoing, should be made through the school office. Parents who need to contact their student during the school day for emergency purposes should use the school's emergency contact process outlined on page 22.

Disciplinary consequences for violations of any part for any reason of the electronic communication devices policy shall be as follows:

- **First offense:**
 - The device will be confiscated and held in the school office for **24 hours**.
 - After the 24 hour period, the parent/guardian may retrieve the device from the school office during normal school hours until 4:00 p.m. The device will not be returned to the student for any reason.
- **Second offense:**
 - The device will be confiscated and held in the school office for **3 days**.
 - The student will receive one day of Lunch Detention.
 - After 3 days, the parent/guardian may retrieve the device from the school office during normal school hours until 4:00 p.m. The device will not be returned to the student for any reason.
- **Third offense:**
 - The device will be confiscated and held by administration for **7 days**.
 - The student will receive **3 days** of Out of School Suspension. Absences will accrue and zeros will be given for any missed work.
 - After 7 days, the parent/guardian may retrieve the device from the school office during normal school hours until 4:00 p.m. The device will not be returned to the student for any reason.
 - The student will lose the privilege to have their communication device on the school campus for the remainder of the year.
- **Fourth offense:**
 - Student will be dismissed from enrollment at Grace Christian Academy.

If a student is caught using another student's device, disciplinary action will be administered to both parties involved. Grace Christian Academy accepts no responsibility for use, breakage, theft or loss of communication devices or other personal items.

Electronic Communication/Social Media/Online Presence Policy

As members of the Grace Christian Academy community, students, parents, and staff are ambassadors of the school and more importantly ambassadors and witnesses of Jesus Christ. This same ambassadorship applies to online communications both at home and at school. This includes but is not limited to, email, chat, instant-messaging, video calls, texting, gaming, and social networking sites (Instagram, Facebook, Twitter, YikYak, etc.). In all of our online communications, whether they be with our peers, classmates, teachers, or otherwise we will treat others with love, grace, and respect as Christ commands us to. Any illegal, disrespectful, obscene, sexually explicit, inflammatory language or media, ethnic or racial slurs, bullying, harassment, defamation, or other similar content posted or sent online will result in disciplinary action up to and including expulsion.

Social networking sites such as the ones listed above are not allowed at school, **no exceptions**. However, the school realizes that many students do have access to these sites outside of school. Students and Parents/Guardians are reminded that regardless of where their posting originates, be it home or otherwise, any text, photographs, or videos they put on these sites or similar that are obscene, sexually explicit, derogatory to the school or the school community, demean or bully students or faculty is

prohibited and will be reported to the appropriate 'report abuse' section of the network site and, if needed, may be referred to local law enforcement agencies. The school will also expect that any student or parent/guardian remove such posts and comments immediately. Any further instances may result in the student losing the privilege of enrollment at Grace Christian Academy.

Recording Device Policy

Students may not use any recording devices on the school grounds at any time. This includes transmitting images, taking photographs with phones, camera or other recording device, or using any electronic device on an audio or video record setting.

Exceptions to this policy apply only to Grace Christian Academy students that have been approved for the use of a camera or video camera to record images for curriculum or school related projects or purposes.

Additional Policies

Lockers

Students are assigned lockers for their personal use. Fire code prevents items from being stored outside the lockers in the hallway. **LOCKERS ARE THE PRIVATE PROPERTY OF THE SCHOOL AND, AS SUCH, ARE SUBJECT TO SEARCH/INSPECTION BY THE SCHOOL AT ANY TIME. Students are not permitted to store opened food or drink in lockers.** Stickers and writing with dry erase markers are not permitted on the outside or inside of any locker. Magnets placed on the inside of the student's locker must be school appropriate and must be removed at the end of the school year. If the student applies anything to the locker that he/she cannot remove, a *\$10 fee* will be charged to the parents' account.

Areas Off Limits

The following areas are considered off limits to students:

- Restrooms designated for the opposite sex.
- Staff offices, workrooms, or work areas without permission.
- Christian Freedom Church property not in use by the school without permission.
- All parking lots and roadways during school hours without permission.
- Hallways before 8:00 a.m. and after 3:00 p.m. without teacher permission.
- Closets or storage areas without permission.
- Kitchen in the Main Building without permission.

Search and Seizure Policy

In order to maintain an ordered and disciplined learning environment, and to protect the safety and welfare of students and personnel, school authorities may request a search of a student, student lockers, or student vehicles under the circumstances outlined below and may seize illegal, unauthorized or contraband materials discovered in the search. Grace Christian Academy reserves the right to invite the Cleveland County Sheriff's Department or an appropriate narcotics search group to visit at any time during the school year to search for drugs. Any alcohol, drugs or drug paraphernalia found in back packs, lockers, vehicles or other items under student's control will be considered possession.

A student and/or personal effects (i.e. purse, back pack, etc.) may be searched whenever a school authority has reasonable suspicion that the student is in possession of illegal or unauthorized/prohibited materials. Students may be asked to empty their pockets, purses, wallets, back packs, etc. without the parent's permission or the student's permission. Enrollment of the child constitutes parental consent to such searches. If the student refuses and the school feels a personal search of the student's person or belongings is required (as per the safety of that student or any other student) then the parents will be called and must come to the school to perform the search. **If the parents fail to come to the school to perform the search within one (1) hour of the phone call, and/or the student refuses to empty their pockets or remove from their person what is suspected, then the student's privilege to attend Grace Christian Academy will be revoked immediately and they will be dismissed from enrollment. If a phone is confiscated, Grace Christian Academy reserves the right to review the phone's content for any reason.**

Student desks and lockers are Grace Christian Academy property, and as such remain under the control of Grace Christian Academy at all times and are subject to search, both random and initiated under suspicion, at any time. Grace Christian Academy exercises exclusive control over school property, and students should not expect privacy regarding items placed in school property for these reasons. Students are responsible for all items contained within desks and lockers, and any illegal, unauthorized, or contraband items found in a student's desk or locker will constitute possession. **Periodic general inspections of desks and lockers are conducted by school authorities for any reason at any time without notice, student consent, parental consent, or search warrant.**

If a properly conducted search yields illegal or contraband materials, **such findings will be turned over to the proper authorities for ultimate disposition.**

Teen Pregnancy and/or Marriage

Grace Christian Academy believes in providing a wholesome environment conducive to learning for all its students. We believe teenage pregnancy and/or marriage are incompatible and impermissible within this environment. Individual situations that conflict with this standard will be evaluated case by case with an attempt to find the best solution for the individual and the student body as a whole. However, no married student, pregnant student, or student responsible for a pregnancy may attend daily classes at Grace Christian Academy.
